

## POLL TAX PAYMENTS URGED FOR SCHOOLS

CITIZENS ASKED TO PAY EARLY  
AND AVOID RUSH OF LAST  
FEW DAYS

Payment of poll taxes to aid the public school fund and to make ready for the elections to be held in 1930 and the registration of automobiles, is urged in a statement by Roy Law, tax collector for Milam County, in a statement issued to the people of this county.

This statement which appears elsewhere in this edition sets out the need for payment of poll taxes, first because the funds thus received benefit the public free school fund of Texas and then because 1930 is political year and every citizen will want to vote upon public questions submitted as well as for those to whom they wish to trust their public offices.

Registration of cars should be made early because the last few days congestion always occur despite the fact that the office force of the collector is efficient. Cars cannot be operated later than February 2 without new license plates.

The following is the statement issued by Mr. Law which is an appeal to the people of the county to co-operate in these matters and this statement is presented here with the knowledge it will be appreciated by the people:

'Time for payment of taxes is now far advanced and only a few days remain in which to pay your taxes, let me urge you to register your automobile and get your poll tax now.

'It is important that every tax payer and every voter and every car owner take note of this situation and make payments as soon as possible.

'While the office of the tax collector is ready at all times to give maximum service, in the last few days it is not possible to make car registrations without penalty or obtain voting receipts when the time limit set by law arrives.

'Tax payers please remember that most of the money paid in for poll taxes goes to the public free school fund and unless there is a full payment the schools will be deprived of these funds. This is political year, a time when every citizen within the ages prescribed by law may vote upon every public question submitted and for those to whom they wish to trust their public offices. This is important. You do not want to be deprived of your right to vote or see the public schools suffer for lack of adequate funds.

'The law requires all automobiles to have new license plates by the Second day of February, on and after that day no motor vehicle which has been used in 1930 may be registered without paying a penalty of twenty per cent.

'To avoid penalties on ad valorem taxes and get voting receipts they must be paid before midnight January 31. If the tax payers will co-operate in these matters by making early payments they will profit and so will their county and state. Do not wait until the last day but make your payments now, get your poll tax receipts and help your school and do not fail to register your car before the last day when congestion may inconvenience you.

## YOE HIGH BASEBALL TEAM ORGANIZED

BOOTS SMITH, STAR INFILDER  
TO LEAD DIAMOND TEAM  
IN 1930

At the request of A. C. Strickland, who is to coach the Yoe Hi baseball team, a meeting of the boys who expect to go out for the team was held a few days ago. They discussed plans for the coming season.

The lettermen of last year elected Robert (Boots) Smith as captain by a unanimous vote. 'Boots' was a star infielder of last season. Sam Hazelwood was elected business manager and George (Tip) Moore was elected official sports writer.

The members of the team have already started trying to make enough money to carry them through the season. They look forward to a successful season, as they have a large number of last year's letter men back, besides a number of new men who are expected to add much strength to the team. A program under the auspices of the baseball team is to be given January 28 at the High School auditorium. Announcements with reference to this program will be made later.

It is hoped that the people of Cameron who are interested in student activity will support the team in all of its work.

## DAN TYSON CANDIDATE FOR ANOTHER TERM

POPULAR ASSESSOR-COLLECTOR  
ASKS RE-ELECTION ON FINE  
RECORD OF SERVICE

Dan Tyson is a candidate for re-election to the office of assessor and collector of taxes for the city of Cameron subject to action of the city Democratic primary election on February 4.

The announcement of Mr. Tyson for re-election to this office will be pleasing to the people of Cameron and his many friends everywhere over the city will lend their support to re-elect him to this responsible place in the city government.

Mr. Tyson in serving the people in this office has given the best service his experience is capable of rendering. His unusual ability and experience in tax matters well qualifies him for this place and he has served the people with distinction and rendered a service that has made more efficient the government of the city of Cameron.

Mr. Tyson has made an intense study of location as to blocks and lots and their number and this information is very valuable to the property owners as well as the city. All of this valuable store of information appears accurately upon the tax records of the city of Cameron and is available for the convenience of tax payers and for any other information necessary and lends efficiency to the conduct of the business of the city government.

On the occasion of the annual audit of the records of his office the certified accountants of public records finds his books correct in every detail and Mr. Tyson is commended for his efficiency.

All the duties of this office are given the personal attention of Mr. Tyson and he is courteous and accommodating at all times.

Mr. Tyson appreciates the interest of the people in electing him to their office and in gratitude gives back to them this fine service each year. Mr. Tyson hopes to see each and every voter if possible but his duties require him to be constantly at his place of business at this time of the year. He solicits your vote and support and will greatly appreciate any effort by his friends in his race for re-election.

## CORA LEE McDERMOTT IS BURIED AT MARLOW

MANY GATHER TO PAY TRIBUTE  
TO DECEASED FORMER  
RESIDENT HERE

Funeral services for Miss Cora Lee McDermott, whose death early Thursday morning, January 9, was the result of a fireworks explosion during the Christmas holidays, were held Friday afternoon at three o'clock from the Baptist church at Marlow, with Rev. E. S. Hutcherson the officiating minister. The little church was filled to overflowing with friends of the McDermott family, who in spite of the disagreeable weather, gathered to pay their last respects to the dead.

Miss McDermott was nineteen years of age on December 9, 1929. She was born in the Marlow community, but while she was a student in high school her parents moved to Beaumont, and she was graduated from the high school at that place. After her graduation, she completed a course at a business college in Beaumont and went immediately into a good position with quite a bright future. With her family she came to Cameron to spend the Christmas holidays with relatives and it was during the course of this visit that she was the victim of the accident which claimed her life.

She joined the First Baptist church of Cameron in 1923 and remained a member of that body until her death. She was faithful in Sunday school and B. Y. P. U. services. In his funeral remarks Rev. Hutcherson characterized her as being faithful to duty, obedient to parents and pleasing to her teachers. She was reserved in conduct with her associates. She was optimistic and appreciative.

Interment was in the cemetery at Marlow, with Green Brothers in charge of arrangements.

Miss McDermott is survived by her father and mother, Mr. and Mrs. John McDermott; two sisters, Kathleen and Myrtle McDermott; and three brothers, Bill, Robert and Giles McDermott, Jr.

## Seal Quota Of \$500 To Be Reached In Milam Campaign

For the first time in several weeks, the committee which had charge of the sale of Christmas health seals feels confident that the necessary quota of \$500.00 will be raised in a short time. Precinct chairmen and their assistants are making personal calls on those people who neglected to respond to letters sent them with stamp enclosures before the Christmas holidays, and the results of these personal canvasses are most gratifying.

It is hoped that a final report can be made within the next few days.

## FRANK STEWART BUYS NUWAY STORE HERE

TAKES CHARGE OF POPULAR  
GROCERY THIS WEEK AND  
WILL OPERATE SAME

Frank Stewart, who has been manager of the NuWay grocery store in Cameron for the past two years, has purchased the store and has taken charge of the business.

The store will be operated under the name of NuWay but will be owned by Mr. Stewart who has been active in business here for a number of years. His experience in the grocery business will assist him in the conduct of this business.

In this issue appears an announcement of the purchase by Mr. Stewart who asks his friends here and the patrons of the store to continue their patronage.

Mr. Stewart will conduct this business on the same high plane it has been conducted in the past and will sell nationally advertised foods at popular prices, carrying out the policy of NuWay in the future of this business.

## B. SLOCOMB CANDIDATE FOR RE-ELECTION

APPEALS TO PEOPLE ON RECORD  
HE HAS MADE IN MARSHAL  
OFFICE HERE

B. Slocumb, city marshal, is a candidate for re-election to that office, subject to action of the city Democratic primary election to be held on Tuesday February 4, 1930 and has requested his name to be placed in the proper column in The Herald.

In making his announcement for re-election Mr. Slocumb has issued a statement to the people of Cameron which reviews his record in office here. This statement is contained in a display arrangement elsewhere in this edition in order to give it prominence. Mr. Slocumb desires that each voter in the city read this statement which he has prepared based on his record as city marshal here.

Mr. Slocumb in his race for re-election hopes to be able to see and talk with each voter in the city and to make such canvas of the electorate as his time away from duties will permit. Mr. Slocumb bases his candidacy on the record he has made and tells the people of Cameron just what he has accomplished since he has held the office of marshal.

Mr. Slocumb appeals to his friends over the city to lend their support to his candidacy and promises if re-elected to continue the efficient service he has rendered in the past. His experience as an officer has been over a period of years and he feels he is better qualified as a result of his experience in the office of marshal during the past terms.

## New Essex Cars Arrive At Cameron Tire Store

The New Essex cars have arrived at the Cameron Tire Store. The store is showing the Essex Brougham, the first of its type to be manufactured by the company and also the new standard sedan and the coach. The improvements amount to a revolution in the design and finish of this car.

The new Essex is truly a new car from every standpoint as pointed out by August Horstmann of the Tire Store. These cars are ready for demonstration and the management will appreciate applications for demonstrations. The cars were unloaded on Wednesday.

## ROY LAW RECOVERING FROM EYE OPERATION

MILAM COUNTY TAX COLLECTOR  
RETURNS FROM TEMPLE MUCH  
IMPROVED IN HEALTH

Roy Law, tax collector for Milam County, has returned to his home in Cameron from the eye, ear, and nose hospital in Temple where an operation was performed last week to restore sight to normal in his left eye. A maxillary sinus operation, a very painful surgical necessity has resulted in the recovery of Mr. Law and his many friends will be pleased to note that he is able to return to his home in Cameron.

The operation at this time is very unfortunate for Mr. Law because of the duties of collecting taxes, during the month of January but the efficient office force of the popular collector is carrying on the business of the office and serving the tax payers. Mr. Law is at his home and except for trips to Temple for additional treatments is able to see his friends. He hopes to be in the office during the last few days of the month to assist the people in the matter of paying their taxes and registering their automobiles.

A notice in the last issue of the Cameron papers called attention to his misfortune at this time and his many friends will be glad to know that he is recovering.

## Legion Here Votes To Hold District Meeting March 16

At the regular monthly meeting of Edwin Hardy Post No. 9, American Legion, held Tuesday evening at the Ada Henderson school, it was voted to invite the next meeting of the district to come to Cameron on March 16. This will include the sixth congressional district. The membership also voted to launch propaganda to go in with other service organizations of the city to rid the courthouse lawn of unsightly buildings on the north-east corner of the property, according to J. D. Baskin, post commander.

State Commander Ernest Cox was scheduled to address the meeting, but he was prevented because of illness. A musical program was given by Misses Imogene Sapp, violinist, Frances Sharpe, pianist, Arnette Ryan, pianist, Mildred Clinton, violinist and Mary Ellen Manning, piaist.

Refreshments were served after the program.

## BASKETBALL MEET IN CAMERON FEBRUARY 14

INTERSCHOLASTIC MEET TO BE  
IN ROCKDALE AND BASKETBALL  
PROGRAM IN CAMERON

The Executive Committee of the Interscholastic League Meeting met in the district court room at one-thirty o'clock Saturday afternoon, January 4th. There were present S. C. Miles, Rockdale, Director General; Mrs. W. H. Lyons, Sharp; Mrs. H. P. Shead, Milano; Fred Hodges, Yarrleton; C. R. Middleton, Sharp; Wesley Edwards San Gabriel; Roy Hensley, Jones Prairie; T. A. Fisher, Cameron; Miss Ivy Armstrong, Cameron and Mrs. Kathryn K. Robbins, Cameron.

February 14 and 15 was fixed as the date for the boys' basketball tournament and March 7 and 8 for the girls' basketball tournament. Both of these events will be held in Cameron. The County Meet will be held in Rockdale March 21 and 22.

Miss Ivy Armstrong was requested to organize the work for the girls' athletic contests and mail out this information to all prospective contestants.

The contest for choral singing will be directed by Mrs. H. P. Shead of Milano. There will be two separate divisions: Class A schools, Rockdale, Cameron and Thorndale compete in same divisions and all other schools, regardless of the number of teachers will compete with each other.

The selection of awards was left to the director general, Supt. S. C. Miles of Rockdale.

An entrance fee of 10c will be charged for admission to all events at the County Meet. Contestants will be admitted free.

## Temple Educator Is Speaker For Lions

Taking for his subject Lionism and its application to the relationships that exist in the community among men, Superintendent Mead of the Temple schools, made an interesting talk to the Lions on Tuesday. Thirty-two Lions heard the talk and appreciated the suggestions made by Mr. Mead.

Secretary Wendt of the Temple Lions Club was a guest at the luncheon.

The club has made its plans for 1930 and the program is an impressive civic undertaking.

## PUBLIC PLAYGROUNDS DISCUSSED BY TEACHER

PARENT-TEACHERS HEAR MISS  
IVY ARMSTRONG IN ADDRESS  
LAST THURSDAY

The subject of public playgrounds during vacation time was discussed by Miss Ivy Armstrong, teacher of playground activities in the Ada Henderson School, at the regular meeting of the Parent-Teacher Association held last Thursday afternoon at the Yoe High building.

Miss Armstrong first outlined a general plan for supervised playground activities during the summer. In discussing expenses, she said that actual costs of such a project could be limited to equipment, which would not reach a high figure, and the salary of a supervisor. Other help could be of a volunteer nature from different organizations. Her suggestion for securing this money is through donations from the churches and civic organizations of the city.

A day's program of organized play would probably consist of opening exercises, at which time special days could be observed, twenty to thirty minutes of free play, organized games hand craft or stories, games of low organization, and a closing period of songs.

Miss Armstrong is of the firm belief that the day of supervised playground activities for vacation time in the small town is not far in the future. For the success of this project, however, as well as for any other, the people must be made to realize the necessity of such a program in the life of the child. Realizing that the people of Cameron are not ready for such a program, she gave only a general working plan. When the idea is firmly fixed in the minds of the people will be the time for more definite plans.

The discussion which Miss Armstrong gave Thursday afternoon was limited to the benefits that might be brought about by the supervised activities of public play. As contrasted with the busy life of the school term, vacation is a period of leisure for the child, and the problem is to persuade him to use this leisure time in the proper manner.

The activities of a public playground are so varied and interesting to both the child and the supervisor that the response to the good that is in them is inevitable, the speaker said. In games and sports how can a child be taught good habits? He learns to work in a group, he has to play fair, he has to be unselfish, he must have enthusiasm, he must have pride, he must have will-power, and he must face defeat. This is all play, but these same habits involve his actions in the game of life.

## Dodge Cars For 1930 Impressive Models

Two new Dodge car models feature the 1930 line of Dodge Brothers products according to the Sapp Motor Company in Cameron, local dealers.

One of the models is a new Dodge Six and the other a new Eight in line, a most impressive motor car. While the local firm has not yet received these cars they are on display in the larger cities and the new cars are expected here most any day.

Improvements making the Dodge cars for 1930 one of motordom's most sensational makes of the new year. The price range is as impressive as the cars themselves, low prices that make them among the greatest values ever known in the history of automobile manufacture.

'We hope to receive the new cars within a few days,' said John Sapp, manager of the company here.

## GAUSE NEGRO IS HELD FOR KILLING OF WIFE

FANNIE HALL SHOT TO DEATH  
ON TUESDAY MORNING  
JANUARY 14, 1930

Fannie Hall, 38, is dead and her husband, 35, both negroes, is in the Milam County jail charged with murder as a result of a shooting which occurred near the town of Gause at ten o'clock Tuesday morning.

Hall was arrested by Deputy Sheriff Will Vaughn who went to the scene of the killing with Jack Lewis, district attorney. Charges were filed in the court of Justice of Peace J. A. Ely in Gause following the arrest. No examining trial has been held but it was believed the trial will be held in Cameron on Friday of this week with Justice Ely presiding in Justice court.

The body of the woman was found some distance from the house. A charge of shot from a single barrel shot gun had entered the right shoulder, penetrated the neck and tore away a portion of the right jaw. It is said that death was almost instantaneous. Hall says that they were contesting for possession of the gun and it was accidentally discharged. Officers do not agree with this statement as no powder burns are said to have been found on the flesh or clothing. In consequence of the investigation charges of murder have been filed.

Trouble began Monday when they had a dispute over some meat Hall is said to have attempted to take to another negro. According to deputy Vaughn investigation reveals that the woman drew a knife and prevented delivery of the meat. The quarrel was renewed the next day and culminated in the killing. Hall, according to the testimony of neighbors is said to have summoned them to the scene of the shooting and claimed it was accidental.

## NATIONAL FARM LOAN ASSOCIATION MEETS

ANNUAL MEETING OF STOCK-  
HOLDERS AND DIRECTORS  
HELD HERE TUESDAY

The stockholders of Cameron National Farm Loan Association met for their regular annual meeting at the courthouse on January 14, 1930. The following directors were elected: T. S. Henderson, Cameron; J. K. Freeman, Cameron; D. K. Hall, Buckholts; J. H. McLerran, Cameron; Mrs. Mary J. Robinson, Cameron.

After some discussion the following resolution was adopted:

'Resolved: 1st. That we give our approval to the plan recently inaugurated by representatives of Cotton Growers at a meeting held in the City of Memphis, Tenn., for the creation of a cooperative Cotton Marketing Association with a capital stock of \$300,000.00.

2nd. That we favor the location of headquarters of the Association in Texas.'

After the adjournment of the stockholders meeting, the newly elected directors met and the following officers were elected: T. S. Henderson, president; J. K. Freeman, vice president; W. G. Gillis, Secretary-Treasurer.

The following were elected members of the Loan Committee: Will Vaughan, T. S. Henderson, J. K. Freeman. Alternate member, D. K. Hall.

## GLENN FLINN GETS PLACE WITH TEXAS POWER AND LIGHT COMPANY

Glenn Flinn, who has been advertising manager for the Cameron Herald for the past year, has accepted a position with the Texas Power and Light Company of Cameron in the merchandising department.

Mr. Flinn was a valued member of The Herald staff and the management regrets to lose his services and congratulates the Texas Power and Light Company on securing the services of Mr. Flinn.

Mr. Flinn will have charge of the merchandising department of the Texas Power and Light Company and will direct sales in the city of Cameron.

Roy Law, who underwent a sinus operation in Temple recently, has returned to his home here, and is reported improving.

## TEACHERS ON PROGRAM AT PARENT-TEACHERS

### TEACHERS DELIVER TALKS AND TELL PARENTS OF PROBLEMS IN WORK WITH PUPILS

The Parent-Teacher Association met last Thursday afternoon in the library room of the Yoe High building. Miss Ivy Armstrong read a paper on playground activities and this will be published in the next issue of this paper.

At the last two meetings of the association, the programs have been in charge of the teachers. For the December meeting talks were heard from Miss Grace Mangum, Miss Helen Flinn, Miss Mary Lake Henderson and Mr. L. Van Perkins.

Mr. Perkins chose to speak on 'Loafing,' and defined a loafer as a person who does not give 100 per cent of his time, energy and ability to the job in hand. Speaking more specifically, he said that there is a certain amount of loafing among high school students in classes and study halls that cannot be prevented. He maintains that a child cannot be made to study. He may be forced to hold an open book before him, but nothing can make him concentrate on it.

He asked the cooperation of the parents in keeping boys from loafing on the downtown streets. The schools are criticized for this and yet it is a condition over which the school has no control whatever. He stated positively that there is not a student in school, regardless of how bright he may be, who can prepare all his lessons properly during study periods. Every child should do some school work at home.

Miss Mary Lake Henderson spoke in an interesting manner on the parents' part in the social life of the student. She mentioned the fact that the doctor looks out after physical life of the child, the church is responsible for the spiritual growth, the school takes care of intellectual development and there is no arrangement made to care for the social activities. The churches and schools are beginning to meet this need in a small way.

In the broad sense of the word, Miss Henderson said that social life is training in the art of getting along with one's fellow man, and parents can set the correct examples at home and teachers at school. The child should know that he is considered a human being, and he should be treated with respect. This, the speaker maintained, might teach lack of impudence. The child should be taught that he must respect law. This can be done in the home where laws of property and respect are observed.

In a narrower sense, social activities are concerned with matter of etiquette. In the schools this is taken care of in council or home room groups. Miss Henderson asked that the mothers of children assist in school parties and she expressed the belief that children ought to be allowed to give parties often in their homes.

The gist of Miss Grace Mangum's talk has been published in a previous issue of this paper, and that made by Miss Helen Flinn will appear in this column soon.

#### Prized Christmas Card

Frank Cates of the Bartlett Tribune News received a \$10 bill as a Christmas card from a friend whom he had rendered some special service last year. If all the friends that big-hearted Cates went out of his way to serve had been only half as liberal he would have the most sizeable bank account in Bartlett. Frank is the son of a Methodist preacher and still believes as he was taught early, that the best way to get joy out of life is to do as many good turns as possible for his fellowmen.

On December 20 and 21, 9 1-2 inches of snow.

#### EPISCOPAL CHURCH

There will be no service next Sunday on account of the attendance of Rev. Love at the Episcopal Council Meeting in Beaumont.

## Salad Dressing Plant From Kansas To Texas

The Kraft Cheese Company have moved their salad dressing plant from Kansas City to Dennison, Texas, according to a news dispatch printed in the Dallas News.

The plant will use about 800 car loads of eggs each year.

The remarkable growth of the poultry industry in Texas is attracting new industries and the movement of this plant to Texas is for the evidence of the growth and development of the poultry business in the Lone Star State.

## It Is Up To You Young Friend

It is up to you young friend to make the start in the right direction at the right time. Here are a few of my former students that did this, Melvin Traylor, Chas. Patton, Jim McKinzy, Ben Stevens and Fred Florence. These now seasoned young business men are each earning more than \$40,000.00 per year. Not one of these boys had a hundred dollars to his name when I signed his business college diploma but now they each have from a hundred thousand to a half-million. Ask any one of these men what value he would place on his Business College training and he will tell you it is inestimable and that it was the best paying investment he has ever made.

#### Young Ladies

With their secretarial training, also step to the front when it comes to making big money. I call to mind four of my girls that started out with their Business College diploma and no money but lots of determination, that are now each worth more than forty thousand dollars.

#### Exceptions

## NOTICE TO TAX PAYERS

Time for payment of taxes is now far advanced and only a few days remain in which to pay your taxes. LET ME URGE YOU to register your automobile and get your poll tax NOW.

It is important that every tax payer and every voter and every car owner take note of this situation and make payments as soon as possible.

While the office of the tax collector is ready at all times to give maximum service, in the last few days, it is not possible to make car registrations without penalty or obtain voting receipts when the time limit set by law arrives.

Tax payers please remember that most of the money paid in for poll taxes goes to the public free school fund and unless there is a full payment the schools will be deprived of these funds. This is political year, a time when every citizen within the ages prescribed by law may vote upon every public question submitted and for those to whom they wish to trust their public offices. This is important. You do not want to be deprived of your right to vote or see the public schools suffer for lack of adequate funds.

The law requires all automobiles to have new license plates by the Second day of February, on and after that day no motor vehicle which has been used in 1930 may be registered without paying a penalty of twenty per cent.

To avoid penalties on ad valorem taxes and get voting receipts they must be paid before midnight January 31. If the tax payers will co-operate in these matters by making early payments they will profit and so will their county and state. Do not wait until the last day but make your payments now, get your poll tax receipts and help your school and do not fail to register your car before the last day when congestion may inconvenience you.

Respectfully,

**Roy Law**

Tax Collector, Milam County

## Legal Notice

The City Ordinance requires every male person above 21 and under 50 years of age to work on streets of the City when notified to do so, or he may pay to the City the sum of \$3.00 in lieu of such work and upon failure to do either, a fine of \$10.00, costs and attorneys fees will be assessed against such person.

By Order of  
**The City Council**

J. C. Joseph, Secretary.

## Texas and Texans

By Will H. Mayes

### Bexar County Roads

San Antonio's popularity as a resort city is largely attributable to the excellent road system of the county, which makes it easy for visitors to get out into the country over good roads. People are attracted to Texas from the North because of the climate. Most of them are from cities and want to get away from cities as much as possible, although they may like the conveniences of city life. These seek places with attractive country surroundings that are easily reached by good roads.

Bexar county has nearly 1500 miles of roads that may be classed as good, nearly 500 miles of which are paved and as much more graveled. Twenty-one miles of roads were surfaced last year by the county at a cost of \$88,634. The county began its work of road improvements when there were few surfaced roads in Texas, and has added new mileage as fast as the funds would permit.

### Highway Patrol

About the first work of the new highway patrol will be to eliminate the hogishness of the road hog. Texas has entirely too many highway accidents and too great a number of them are caused by motorists who have no regard for the rights of the lives of others. Perhaps the bus and truck drivers are the greatest offenders. The person who will not observe the laws and ethics of highway travel should be denied the use of public roads. The highway patrol can be of great service in securing records of those who persistently 'hog' the roadways.

### Chain Store Control

There is much complaint that the chain stores do not do their part toward carrying the public burdens in the communities in which they are located, and it is not entirely without cause. In too many cases local managers are without authority to contribute to any local enterprises. Their institutions are to sell as much merchandise as possible at the least possible expense and remit the receipts to the central offices. It can not be denied that but few of them contribute a proportionate part to the upbuilding of their localities. Some members of the Texas legislature are considering measures for their regulation. One of these now being discussed would require out-of-state concerns to invest a certain proportion of their profits in Texas or in the localities in which they operate.

### New Year's Resolutions

It is not too late to make helpful resolutions for the New Year. This is to be a great year for Texas and for those Texans with enough of the Texas spirit of progress to take advantage of opportunities that will be presented. Get out of the old ruts; get a vision of better things. Determine that you will start each day of 1930 as though you were beginning a new year—that you will study diligently and work persistently to win the success that should be yours. Do not be satisfied to do less than your full share along whatever line you may be at work. Shirkers are always failures. Effort brings success of some kind.

### Del Rio Airport

Del Rio proposes to keep up with modern transportation and has bought the land for an airport. Arrange-

Phones: Office 129, Res. 138.

Chas. Frank Green  
Cameron, - - Texas.

nents will be made to improve the property with all the conveniences of a landing field. Proposals are being considered for an aeronautical school in connection with the airport. Bonham and Alice are other Texas towns that have recently acquired airport sites.

### Tomato Area Increased

Farmers in a number of sections of Texas are preparing to go into tomato growing for the market. More tomatoes will probably be cultivated in South Texas than ever before. To make a success of the business it is necessary for farmers to plant enough acreage to attract buyers and to pool their interests in selling. This is being done in a number of localities throughout the State. Heretofore Texas tomato culture has largely been confined to East Texas.

### Will Buy Sewer System

By a vote of 171 to 6 Georgetown has voted \$60,000 in bonds with which to buy and extend the city sewer system. It will not be necessary either to increase the rates or the taxes for the city to own the system, make the needed extensions and pay off the

bonds as they mature. That looks like a good business proposition and there are some other Texas towns that should follow Georgetown's example.

### Snyder Wants Hotel

Snyder has awakened to the fact that neighboring towns with better hotel facilities are getting much transient business that Snyder might get if it only had better hotel facilities. The business men of the city are making plans to organize a company to construct a modern hotel building. Snyder should lack hotel facilities.

### Milk Products Plants

Dairy products plants have increased in number in Texas and the business has grown to such an extent that the manufacturers of butter, cheese, ice cream and other milk products are planning an early meeting to form a State-wide association. As in all other industries, organization is essential to the greatest success.

Every week now brings an increase in the number of milk products plants in Texas and the industry has assumed large proportions. The plant at

Alice has just been completed and the cheese factory at Round Rock will be enlarged again this month, the second time within a period of six months that this has been found necessary to take care of the growing business.

### Cameron County Roads

Cameron county should have as fine a road system as any county in Texas when it completes its system, for which the county will spend \$6,000,000 in addition to the amount that it will receive from the State and Federal governments. The bonds are being issued and sold as the work progresses.

### Panhandle Schools

As an evidence of the increasing interest in good school buildings in the Panhandle section of Texas and showing the growth of that section of Texas, a firm of Amarillo architects announces that it is now preparing plans for modern school buildings in 22 towns in that territory, practically all of which will be constructed in 1930.

### Midland Builds Courthouse

Few Texas counties build courthouses large enough to meet their re-

quirements. The reason is that the counties and towns develop beyond the expectations of those who contract for the public buildings. Midland is one of the latest to announce that a new courthouse will be erected. The building will cost approximately \$300,000, and the county commissioners are hoping it will be large enough to meet the needs for many years.

TYPES, AND AT  
NO EXTRA COST,  
A WIDE VARIETY  
OF COLORS TO  
SUIT YOUR OWN  
GOOD TASTE.

... a fine—fast—powerful Eight

We count this our greatest achievement. From front end to tail light it is a new design. In appearance and finish it is commandingly beautiful. And in smoothness it surpasses anything we know.

It outranks anything we have ever done in design, performance or value.

The roadability and riding ease are not excelled by any car at any price. And the price at which it sells questions the wisdom of ever paying more for any car.

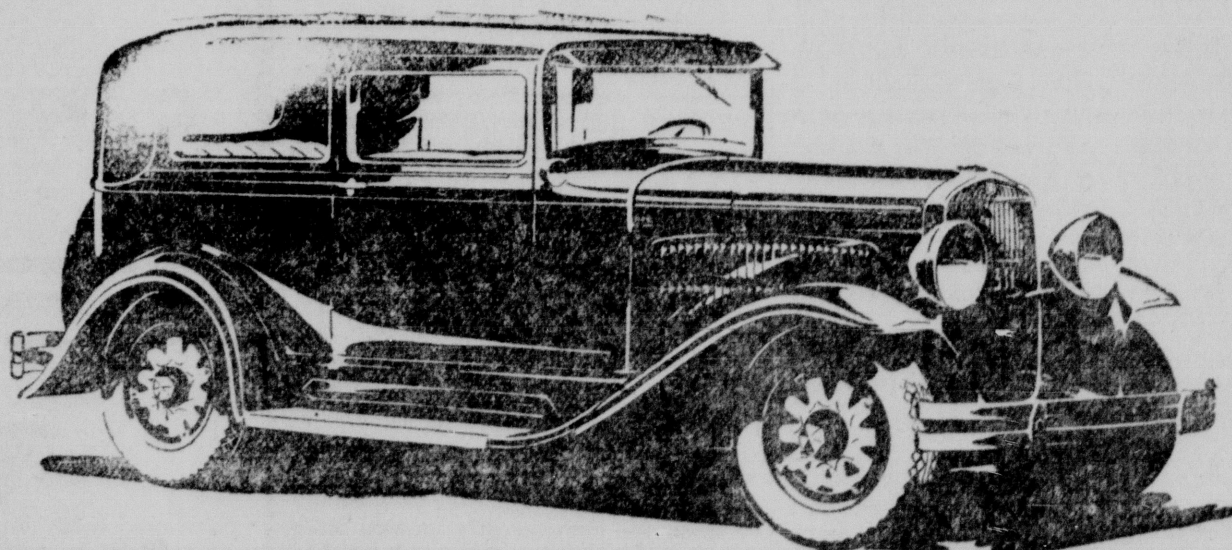

Prices and Details—Lowest finance terms available

Standard Length Chassis—Coach, \$1050; Coupe, \$1100; Standard Sedan, \$1150; Roadster \$1200; Phaeton, \$1300; Sunsedan, \$1335. Long wheelbase—5-pas. Touring Sedan, \$1250; Brougham, \$1295; 7-pas. Phaeton, \$1500; 7-pas. Sedan, \$1650. Prices f. o. b. Detroit, Factory. Choice of wide variety of colors. Two-way shock absorbers all around. Radiator shutters—Starter on dash—Electric gauge for fuel and oil—electrolock—tire lock—windshield cleaner—glare-proof rear-view mirror—stop light—disappearing rear window curtain, tire well on fender, extra rim, toggle windshield opener.

## BENEFIT BRIDGE IS BIG SUCCESS HERE

### FUNDS FOR BEAUTIFYING CITY PARK RAISED BY BUSINESS WOMEN HERE

A large group of people gathered at the Cameron Country Club Tuesday evening for the benefit game party given under the sponsorship of the Business and Professional Women's Club for the purpose of raising money to be used towards beautifying the City Park. Tables were arranged for bridge, 42, dominoes and checkers.

The club house was decorated in the B. and P. W. colors of green and gold through the courtesy of the Cameo Floral Shop.

In the bridge games Mr. Shipley of Waco was high for gentlemen and Mrs. W. L. Braun for ladies. Among those playing 42, Mrs. N. H. Butts was high and Mr. Tom Vaughn low. Prizes for ladies were potted candles, gifts of the Cameron Florist Shop, and for gentlemen were boxes of cookies wrapped in green and gold colors.

Following the games guests were served chicken salad and hot tea. Late in the evening the tables were removed and dancing was enjoyed, music being furnished by a local orchestra, which also played earlier in the evening.

Miss Rose Rischar, chairman of the committee for the party, and her helpers wish to extend their thanks to their patrons who helped to make the benefit a success. Particularly do they thank the Cameron Furniture Company and Green Brothers for the free use of tables and chairs which they so generously furnished.

## Mrs. Conn Miller Is Injured In Wreck

Mrs. Conn Miller was severely injured in an auto collision at noon today at the street intersection near the Hayden Lawrence home. The car of Mrs. Miller and the car driven by Mrs. Fred Dierr collided.

Mrs. Miller has a severe scalp wound and cuts about the body and limbs. She was rushed to Cameron Hospital where she is reported resting well. Mrs. Dierr was not seriously injured. The car driven by Mrs. Miller was turned over pinning her underneath.

### BAPTIST W. M. S.

Members of the W. M. S. of the Baptist church met in circles Monday afternoon as follows.

Eunice Taylor Glass Circle met with Mrs. George A. Thomas with 10 members present. Mrs. F. J. Beckerman led the lesson. Lottie Moon circle met with Mrs. Harvey Dobbins. There were 6 members present and Mrs. John Denson was leader. Lillie Mae Hundley Circle met with Mrs. L. L. Blaylock with 9 members present and Mrs. W. H. Henley leading the lesson.

The ladies will meet in circles again next Monday. Eunice Taylor Glass will meet with Mrs. S. M. Burns, Sr., Lottie Moon with Mrs. Gus Evans, and Lillie Mae Hundley with Mrs. M. C. Sapp.

## JAMES M. LEWIS, AGED PIONEER BURIED TUESDAY

### NATIVE OF NORTH CAROLINA DIES HERE ON MONDAY JANUARY 13

James M. Lewis, 81, native of North Carolina and for many years a resident of Cameron died Monday morning January 13, 1930 at four o'clock following a long period of declining health.

Funeral services for the aged pioneer were held from the chapel of the Coleman-Eplen funeral home Tuesday afternoon January 14 at four o'clock with a number of friends in attendance. Rev. Joel B. Hardigree, pastor of the First Christian church conducted the services, detailing in a well spoken tribute the life and character of Mr. Lewis, who had spent many years in Cameron.

The body of the pioneer was buried in a casket of his own make. In his active years Mr. Lewis had been a cabinet maker and carpenter and in 1920 made the casket and had it stored in the coffin room of the Coleman-Eplen Company with the request that it be used in which to inter his body.

The body was buried in Oak Hill Cemetery with the following as pall bearers: J. Nabours, E. Eggert, J. H. Devaney, Judge Jeff T. Kemp, H. Walker and Penn Wolf.

Mr. Lewis is survived by one daughter, Mrs. Ed Slater of Bay City, and two sons, Steve and Harry Lewis, and one brother, Steve Lewis of Cameron.

Mr. Lewis had lived for many years in this community and his death has brought sorrow to the hearts of many who knew him. He was a pioneer in every sense of the word and never forgot the traditions of the early years of the country in which he lived and made a contribution to the civilization of the frontier country.

## GAUSE

Gause was visited by burglars last Thursday night. They broke into the blacksmith shop of F. M. Hauptfleisch and stole a number of tools. Both the rear and front doors of Dr. Dubose's place of business were opened and what few cents were in the cash register were taken. Both doors of S. R. Cochran's store were opened and the safe was blown to pieces, but it contained only books, so nothing was taken. At closing time H. M. Walker and J. W. Partridge discovered that their store had also been entered. Each coming at a different hour of the morning and on finding the doors open had supposed the other had opened up until the lock was found broken at closing time. Sheriff Blaylock was called out but no trace could be made toward the location and capture of the visitors.

If it takes winter rains and freezes to make a good crop I think we will have a harvest worth a Thanksgiving equal to ones celebrated by our Pilgrim forefathers. We have had hard rains, slow rains, freezes, snow, the largest remembered by a number of our old settlers, sleet, wind, warm sun shine and every kind of weather to be expected in Texas. Friday was cold, radiators froze and people hunted stoves. Saturday the ground was covered with ice and a number measured their length upon it, the older folk merely trying to walk and the younger while attempting to skate. Sunday and Monday are warmer but oh, the mud.

Mid-term examinations will begin this week. Some students will be exempt in certain subjects because of an A average. The Seniors will not have to meet classes Wednesday. They have their examinations Tuesday, Thursday and Friday.

Mr. and Mrs. F. J. Cook, superintendent and primary teacher in the Gause school and children attended the funeral of a friend in Buckholts Thursday afternoon.

Rev. Kendell, pastor of the Baptist church, filled his regular appointments Sunday morning and evening although the weather was threatening services were well attended. A number were present for the Sunday school services at both churches. Thirty-four were present at the Methodist Sunday school which was considered a good number considering the weather.

Messrs. F. M. Hauptfleisch and J. F. Hickman attended the Missionary Institute held at Hearne last Wednesday. Several others intended to attend but were prevented by the weather.

Messrs. S. R., Dick and W. B. Cochran returned Friday after a trip to Cold Springs.

Miss Dixie Barnes and grandmo-

ther, Mrs. Faubian of San Marcos were the week end guests of Mrs. Lizzie Tidwell and Mrs. Bobby Obbits. Miss Barnes returned to her studies at S. W. T. T. College while Mrs. Faubian will visit a few more days in Gause then spend a while in Rockdale before returning to San Marcos.

James Harwood, who is attending school in Rosebud, spent the week end with his mother, Mrs. Harwood.

Mrs. Ira Blackman returned to her home in Thrall Sunday after a several days visit with her mother, Mrs. D. D. Todd.

Mrs. James Harlan returned to her home in Houston Sunday after a visit with her mother, Mrs. Oala Gause.

Mr. and Mrs. Lamar Smith of Goose Creek spent the week end in Gause.

A gloom of sorrow spread over Mr. and Mrs. W. H. Spraggins and family Sunday when the news reached them that their only little grandson, son of Mr. and Mrs. Authur Spraggins of Missouri had been taken by death's cold wave.

The Seniors had a real treat Thursday. The 4-H Club girls, president Edith Cass, had prepared refreshments, hot chocolate and cake to serve to the State Inspector and trustees who were present Thursday. But for some reason the Inspector did not come so the refreshments were served to the Seniors and teachers.

## MISSIONARY SOCIETY

Members of the Methodist Missionary Society met at the church Monday afternoon for mission study. Mrs. W. O. Triggs gave an interesting summary of the book, 'The Roads to the City of God.'

All circles of the society will meet together at the church next Monday afternoon for a Voice program and will afterwards be organized for the new year.

## LADIES AID

Members of the Ladies Aid of the Christian church met at the home of Mrs. Ray Burke Monday afternoon for a business meeting. With Rev. J. Hardigree presiding, the following officers were elected for the ensuing year: Mrs. Raymond Beard, president; Mrs. W. M. Ryan, vice-president; Mrs. Ray Burke, secretary-treasurer; and Mrs. G. C. Walters, reporter.

Mrs. Ulric Thornton and infant son Ulric, Jr., of Rockdale returned to their home this week after having been at Mrs. Thornton's mother, Mrs. H. A. Jackson.

Meal and Hulls are Cash, Weems Gin.

Mr. and Mrs. Paul Webb have moved from Cameron to Georgetown to be with their daughter, Miss Sue Griffin Webb, who is a student at Southwestern University.

Mrs. Ed Slater of Bay City was in Cameron this week having been called here by the death of her father, James H. Lewis.

Meal and Hulls are cash, Weems Gin.

At the regular meeting of the Auxiliary of the Episcopal church held on Monday afternoon, Miss Agnes Chambers was appointed as delegate from this church to the annual meeting to be held at Beaumont January 19 to 21. Rev. and Mrs. Love and Mrs.

Bessie Longmore of Rockdale will also attend sessions. Additional business attended to at the meeting Monday involved a discussion of the changes of the prayer book used in the Episcopal worship.

### JONES PRAIRIE

By MRS. R. K. FONTAINE

Miss Mary E. Jones, Ethel and Janie Mae Crook, Robert Glenn, Selma Jamison, Bailey Jones, Jess Black were entertained at the Julian Burnett home Wednesday night to a forty-two party. After many interesting games grape juice and cake were served to all.

Bailey Jones spent Wednesday night with Watts Weise.

Mr. and Mrs. Sam Harrell and family and Miss Mitchell spent Sunday at the Lester home.

The B. Y. P. U. went in a body to the John McLerran home Sunday afternoon and sang songs for the enjoyment of Mr. McLerran.

William Bailey and Bert Thrasher have returned from their business trip to Dallas.

Bailey Jones, Miss Selma Jamison and Watts Weise spent Sunday at the S. S. Hickman home.

Watts Weise and Barmore Jones made a business trip to Fort Worth this week.

Mrs. Spradley is ill with flu this week.

The Worthwhile Club met January 15 with six members present. Due to the absence of the Secretary the minutes were not read. Miss Bartholomew gave interesting discussion on the value of feed in the control of coccidiosis in chickens and proper housing. Next club meeting will be held January 28 at the teacherage.

Mr. and Mrs. C. C. Black and son spent Tuesday in Cameron. They hope to soon move into their new home there.

Mary E. Jones and Robert Glenn spent Saturday evening with Ollie Mae Smitherman.

Selma Jamison and Janie Mae Crook spent Wednesday night with Mrs. Julian Burnett.

Mr. and Mrs. R. K. Anderson visited in Calvert Sunday

Gracie Roden is ill this week.

The infant son of Mr. and Mrs. H. Black which was born Saturday, only lived a few hours and was buried at Little River Sunday.

Mr. and Mrs. Perry Tindall and family of Calvert spent Saturday and Sunday at the T. B. Stidham home.

Guy Harper of Dallas spent the week end in the community.

Mr. and Mrs. Lee Mirek and family who have been living in San Antonio since last summer have returned to their home here.

Ben Etidham is reported ill at this writing.

Miss Ethel Crook and Ruth Brand spent Saturday night at the Carlton Crook home.

Jim Lester of Louisiana spent the week end with his parents here.

### MAYSFIELD

The pastor met his appointment here at the Presbyterian church Sunday, but owing to the inclemency of the weather and muddy community roads the people were unable to attend and no services were held.

Mr. and Mrs. Jessie Wise of Ben Arnold spent Sunday with his parents Mr. and Mrs. Wise of Maysfield. While here they made a pleasant call at the manse.

Little Wayne, son of Mr. and Mrs. John Thweatt, has been on the sick list but is reported to be better.

Mr. and Mrs. Tom Thweatt entertained their son and family, Mr. and Mrs. John Thweatt, and daughter and family, Mr. and Mrs. Roy Newton and Miss Ada Lee Massengale, with a turkey dinner on Sunday, the fifth.

Mr. and Mrs. T. S. Woodruff and little daughter, Mary Lois, of Temple have been visiting her parents, Mr. and Mrs. W. M. Waits.

Mr. and Mrs. O. I. Brooks spent a few days with her parents, Mr. and Mrs. F. D. Hust of Rockdale, recently.

Miss Clara Lagrane of Hearne and

her friend, from Bryan, were visitors in the home of Misses Willie Belle and Myrtle Mae Holloway, recently.

Mrs. Othel Curry is visiting her parents, Mr. and Mrs. Ernest Kelso.

Mrs. Gum Ditto has been suffering with her back several days but is improving.

Some negroes traveling at the rate of forty miles an hour, barely escaped a serious accident Sunday afternoon by stopping here to put water in their car. When resuming the journey, before gaining full speed one of the rear wheels came off.

Miss Lucille Miller visited Miss Neva Phipps Sunday afternoon.

Miss Gladys Brady of McCamey is enjoying an extended visit in Maysfield with friends and relatives.

Messrs. Reese and Thomas Turner of Austin, spent the week end in Maysfield and Branchville.

## CHEVROLET COMPANY TO MEET BIG DEMAND

### NEW CAR AND REDUCED PRICES TO CREATE BIG DEMAND FOR CHEVROLET

Detroit, Mich., Jan. 8.—Following the announcement seven days ago of the improved 1930 Chevrolet Six at greatly reduced prices, the Chevrolet Motor Company last week launched manufacturing and sales activities designed to meet the requirements of what promises to be another record year for the public acceptance of six cylinder automobiles.

Factory officials expressed themselves as highly gratified over the reception of the new Chevrolet Six at the New York National Automobile Show last week. Thousands of orders and hundreds of congratulatory letters from the nationwide Chevrolet dealer organization told something of the success with which the new product is meeting across the United States.

Meanwhile, so that the thousands of orders already on hand may be taken care of with a minimum of delay, the 16 giant Chevrolet plants are speeding toward capacity operation with all the haste consistent with Chevrolet's precision manufacturing methods. Employment at the Chevrolet factories is at the highest January level in the history of the Company with many of the plants maintaining two shifts.

At the same time the sales division under the direction of H. J. Klingler, vice-president and general sales manager, sounded the formal opening gun of the nationwide sales campaign, Wednesday, January 8, at a mammoth Chevrolet dealer meeting in New York City. Two thousand dealers from var-

ious parts of the Atlantic seaboard heard the Chevrolet sales chief outline the Company's plans for the year.

The New York meeting was the first of a series of 41 similar gatherings that will be held this winter from coast to coast in a comprehensive effort to appraise the Company's far flung dealer organization of the plans which Chevrolet has arranged for 1930. In the course of these meetings, which will continue until the third week in February, every Chevrolet dealer in the United States will have the opportunity of listening at first hand to the Chevrolet message for 1930 and talking with Central Office officials.

Gatherings in each city embrace a business show in the afternoon and a banquet in the evening. The afternoon business meeting is perhaps the most unique and comprehensive ever undertaken by a large industrial organization.

These business meetings feature a number of playlets graphically depicting the successful operation of a retail automobile business in its various phases. All parts are played by members of the Chevrolet organization.

To make this business show possible more than a carload of drops, curtains and stage fixtures are taken to each city. Perhaps \$50,000 worth of show equipment is required to stage the afternoon performance. A group of professional stage hands travel with the party and handle the work backstage.

In order to get the Chevrolet message over to the dealer organization in as short a space of time as possible, four groups of officials are conducting meetings simultaneously.

Heading the party that will conduct meetings in the southwest, California and the Pacific northwest will be D. E. Ralston, assistant general sales manager. The party making the

northeastern cities will be in charge of J. C. Chick, assistant general sales manager, while the meetings in the southwest will be conducted by M. D. Douglas, parts and service manager. R. K. White, advertising manager, will head the group handling meetings in the central section of the central section of the country.

#### NOTICE OF PRIMARY ELECTION

I, S. M. Burns, by virtue of authority vested in me as Chairman of the Democratic Executive Committee of the City of Cameron, Texas, do hereby order a primary election to be held at the City Hall in the City of Cameron, Texas, on Tuesday, February 4th, 1930, for the purpose of nominating candidates of the Democratic party for the following offices of the city of Cameron, Texas, to-wit:

MAYOR  
ALDERMEN (Two for a term of two years.)  
CITY ATTORNEY  
ASSESSOR-COLLECTOR  
SECRETARY-TREASURER  
MARSHAL

In the election to be held on the first Tuesday in April A. D., 1930 and also to elect a chairman and four members of the Democratic Executive Committee of the City of Cameron, Texas, for the ensuing year, election shall be by a majority of the votes cast.

The test of the voter at said election shall be,  
'I am a White Democrat and pledge myself to support the nominee of this primary.'

The election shall be governed by the general election laws governing elections in this state. The polls shall open at 8 o'clock a. m., and close at 7 o'clock p. m. Wm. Henderson is hereby appointed presiding judge of this election and is authorized to select such assistant judges and clerks as

the law allows to assist in said election.

Publication of this call for ten days as required by law shall serve as legal notice of said primary election. Witness my hand this 6th day of January A. D., 1930.

S. M. BURNS,  
Chairman, Democratic Executive Committee of the City of Cameron, Texas. 39-2tc

#### CARD OF THANKS

We take this method of expressing to you our sincere thanks for your kindness to us during the illness and death of our mother. Children Cry for Fletcher's

## CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of *Dr. J. C. Fletcher* on the wrapper all these years just to protect the coming generations. Do not be deceived. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

Never attempt to relieve your baby with a remedy that you would use for yourself.

### What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

GENUINE CASTORIA ALWAYS

Bears the Signature of

*Dr. J. C. Fletcher*

The Kind You Have Always Bought

THE CENTAUR COMPANY, NEW YORK CITY.

## Texas and Texans

By Will H. Mayes

### Manufacturing Increases

More manufacturing enterprises were started in Texas in 1929 than in any previous year in the history of the State. The 1930 census will show that Texas has been making vast strides as a manufacturing State in the past ten years. Outside capital is seeking investments in Texas industries, and enough Texans were losers in the recent Wall Street panic to result in keeping more Texas money at home for investment. 1930 should be a great year for establishing Texas factories.

Every chamber of commerce in the State should resolve to secure at least one manufacturing industry for its town during the year and work toward that end until it is secured. Surely in every town some manufacturing plant could be made to succeed. Buda, a mere village near the line of Hays and Travis county, set a fine example awhile back in building a cheese factory.

### Increasing Capital

When the Borden company decided to invest \$200,000 in a milk products plant at Waco about a year ago, many wisecracks shook their heads and predicted failure. The only failure the company made was in not building a plant big enough. The investment will be increased to \$500,000 and the plant enlarged.

The Armour corporation, noted the world over as meat packers, are buying up milk products plants in Texas where they can be bought and are ready to establish others where needed. The dairy industry in Texas is just starting.

### Worthy Man Promoted

Texans who know him and there are thousands who know him to love him, are delighted that General John A. Hulen has been made vice-president of the Fort Worth and Denver and the Wichita Valley Railroad Companies. His splendid administration of the receivership of the Trinity and Brazos Valley road marks him as a man of extraordinary business acumen and has added to his lustre as a soldier and statesman. No man stands higher in the esteem of the people of the State.

### Texas For Texans

Perhaps District Attorney Valls muddled up things a bit down at Laredo and his indiscretion may have caused Laredo some temporary business loss, but to demand his resignation in order to hold the favor of Mexican officials is to place business above patriotism and to allow the Mexican government to dictate who shall and shall not hold office in Texas, something that is simply unthinkable to most Texas citizens. Texas will continue to be governed by Texans and not by Mexico, and the cutting off of a little Mexican trade will not change conditions.

### Fannin County Courthouse

It is unfortunate that some valuable records were lost when the Fannin County courthouse burned, but they should not have been kept so long in an old firetrap. Such records should have been in a building as nearly fire proof as a building can be built. While the new courthouses all over Texas are architecturally beautiful, they are

## drove poison out

Constipation Troubled Alabama Lady Until She Had Taken Black-Draught, Then Felt Fine.

Florence, Ala.—"For two years, I suffered with pains in my back and head," writes Mrs. J. E. Sloan, 810 Park Street, this city.

"I felt dull all the time, and was not able to do anything."

"I was constipated most of the time. My complexion was bad and I had no appetite."

"An old lady advised my father to give me Black-Draught. As quick as she told him, he got it for me. I took Black-Draught three times a day for three weeks, and I began to feel like a different person. I developed a good appetite; the poison left my system, and I felt fine."

"I thought my trouble came from constipation, and as soon as the cause was removed, I got all right."

"Since that time, I have tried to keep a box of Black-Draught in the house, as I find it corrects biliousness and relieves sick headache. It is our family medicine."

Constipation damps up poisons in the bowels, causing their bad effects to be felt in other parts of the body.

At the first sign of constipation, take Theodor's Black-Draught. Costs only 1 cent a dose. NC-215

Theodor's  
**BLACK-DRAUGHT**  
for Constipation,  
Indigestion, Biliousness

not erected merely as something to be proud of, but for the safekeeping of public and private documents of value. If the records could only be saved it would be a good thing if every ancient courthouse in Texas were destroyed and replaced by modern structures.

### Barney Youngblood, Texan

Dr. B. Youngblood, formerly director of the agricultural experiment extension work at the Texas A. & M. College, has been nominated by Congressman Marvin Jones of Texas for the \$5000 annual Capper award for distinguished service to American agriculture. Youngblood did a great work for Texas agriculture and was untiring in his efforts to advance agricultural interests, but his greatest work has been his scientific study of problems affecting the cotton industry especially in discovering new uses for cotton. Every Texas farmer will second his nomination eagerly.

### Stays On the Job

There is a reason why Editor-Publisher Alford of the Granger News gets out one of the best-edited, best-printed weekly newspapers in Texas. He doesn't turn in his copy hurriedly to go fishing, leaving the printers to fill up and get out the paper as best they can, but watches the forms until the last paper is off the press. Therefore, he has started off the New Year with his paper as full of advertising as though this were the fall business rush season.

### 'Strutting Its Stuff'

When a town ships a million pounds—48 solid cars—of any single commodity in two months it has a right to be proud, but when that commodity is turkeys that town has a right to strut. This is what Brady did in November and December, and dealers are expecting to send out 10 more cars in January. The average price has been 20 cents a pound.

### Diversification Makes Prosperity

The Lampasas Record tells why Lampasas county is prosperous. It is because the farmers diversify and ship out more produce than they ship in. During 1929, 827 solid carloads of farm products were shipped from Lampasas, diversified as follows: 195 cars of oats, 22 of wheat, 39 of corn, 19 of pecans, 92 of wool and mohair, 124 of sheep and goats, 113 of cattle, 12 of hogs, 53 of dressed poultry, 67 of eggs, 19 of cotton seed, and 71 of other commodities besides 3855 bales of cotton. This does not include freight and large shipments of poultry and other produce by truck. Lometa is another Lampasas county town that prides itself in rivaling

Lampasas as a shipping point.

### Merging The Papers

Many weekly newspapers are following the example of other business and forming mergers. The latest to merge are the Hallettsville New Era and the Herald, which will hereafter be the New Era-Herald with Leo Strauss and Richard W. Metzen owners. This is the first time in 41 years that Hallettsville has had only one English paper, and both the papers and he town should profit by the consolidation.

### Round Rock Needs It

Editor Kavanaugh of the Round Rock Leader says that his leading ambition for 1930 is to be able to buy a type-setting machine and give Round Rock an eight page paper instead of the four page paper he now gets out. If Round Rock merchants would only double their advertising he could easily double the size of his paper. They should by all means do this. Round Rock is a good little city in the center of a fine farming country, and with the aid of his family of writers and printers Kavanaugh is prepared to issue as good a paper as the patronage will justify.

## Examinations For Teachers Certificates

Certificates of the second class may be obtained by examinations only. Applicants who desire to take examinations for certificates in any county must register with the county superintendent not later than the twentieth day of the month preceding the examination which he desires to take. Registration may be made by letter or by person. The examination fee of \$4.00 is not paid until the applicant enters the examinations. No cer-

tificate will be issued to an alien. Affidavit of citizenship must be furnished.

An elementary certificate of the second class entitles the holder to teach only in the elementary grades; namely, grades one to seven, inclusive. A high school certificate of the second class will be valid in elementary schools, grades one to seven, inclusive, and in third class high schools, and unclassified high schools, but not in first and second class accredited high schools.

Dates for 1930 Examinations  
April 4th and 5th.  
June 6th and 7th.  
July 4th and 5th.  
August 1st and 2nd.  
September 5th and 6th.  
December 5th and 6th.

## CLARKSON

Homer McElwrath and family of Ben Arnold were Sunday dinner guest in the H. Clifton home.

Howard Schwarting, R. W. Edward, Howard Douglas and John Bell enjoyed forty-two and dominoes games all night Saturday night at the John Bell home.

Howard Schwarting and wife were guests in the John Bell home Saturday and Sunday.

Perry Strickler was a business visitor in Cameron Monday.

N. C. Canady and family were the guests in the John Bell home Wednesday and Thursday.

Ganell and Clifton Cox enjoyed a horse back ride Sunday afternoon.

Miss Brown, the J. H. Starnes fam-

ily and Howard Schwarting have been ill with the flu the past week.

Hubert Bell of Burlington was the guest in the John Bell home Friday night.

The barn of J. H. Starnes burned Sunday night. The loss was very heavy, losing most of his feed. We wish to express our sympathy for Mr. Starnes and family.

## GLENN FLINN GETS PLACE WITH TEXAS POWER AND LIGHT COMPANY

Glenn Flinn, who has been advertising manager for the Cameron Herald for the past year, has accepted a position with the Texas Power and Light Company of Cameron in the merchandising department.

Mr. Flinn was a valued member of The Herald staff and the manage-

ment regrets to lose his services and congratulates the Texas Power and Light Company on securing the services of Mr. Flinn.

Mr. Flinn will have charge of the merchandising department of the Texas Power and Light Company and will direct sales in the city of Cameron.

## NEWS OF SEVENTH GRADE

This week the '67 Go-Getters' are learning how to write scenarios. The following two are examples of our work.

### The Necklace

Scent 1. In the home of Matilda Louise.

Matilda, pretty and charming, seated in her room. Enter—Piene, her husband. He hands his wife a large envelope. Matilda very angrily angrily throws the envelope aside and begins to weep. Piene—very sad. Exit—Piene.

Scene 2. In the home of Matilda Louise the day before the ball.

Enter Pierre—Matilda seated in chair looking very sad, says she has no jewels to wear to ball. Pierre very sad. Exit, Matilda.

Scene 3. In the home of Madame Forrester.

Matilda enters room. Madame Forrester converses with Matilda. Matilda returns home with jewels.

Scene 4. At the ball.

Madame Loisel a success. Beautiful smiling, gracious and intoxicated with joy of success. Exit, Loisel and Pierre.

Scene 5. In the home of Matilda Louise.

Matilda removes wrap, looks in glass, utters a cry. The necklace is gone, turns to Pierre and talks. Exit Pierre.

Scene 6. Pierre on the road searching for necklace.

Pierre searches for necklace—tired worn and hollow-eyed. He does not find article. Goes to jeweler and bargains with one for a similar necklace. Pierre borrows money.

Scene 7. Matilda's home.

Matilda very brave, does work with heroism, dismisses cook, washes dishes scrubs floors. Enter Pierre, tired after his work. After work Matilda sits by window and dreams. She sees a lady on the street.

Scene 8. On the street.

Matilda walks down street, meets Madame Forrester, still young. They speak, Madame Forrester does not recognize her at first. They talk of old days. Tells her of the necklace that she lost. Madame Forrester takes Louises' hand and consoles her. Wilson Mode.

### The Pied Piper of Hamelin

Scene 1. Judges court room.

Judge seated near fire, looking weary. Enter, Pied Piper. Judge agrees to pay Piper sum of money to rid the town of rats. Exit, Piper. Judge hears pretty music, leaps from his chair, looks out of window, sees rats of all description following Pied Piper. Piper leads rats into water.

Scene 2. Court room.

Enter—Pied Piper, shakes hands with judge. A disagreeable conversation is carried on. They do not pay the Piper. Exit—Piper, plays flute. Children follow. One cripple boy left.

Scene 3. Homes of the people.

People seated around fires very sad grieving over children.

Vernon Mayfield.

Tom Osborne is back in school now. He has been missed by teachers and pupils.

Howard Terry has been ill, but we are glad that he is back in school this week.

Ralph Kaeph has a black eye. Ask him how he got it.

## CLAMMY HANDS

Kentucky Lady Was Weak And Felt Miserable. Dizzy Spells Quit After She Took Cardui.

Danville, Ky.—"For a long time, I suffered with severe headaches and pains in my sides and back," says Mrs. Lottie Smallwood, residing at 116 Fourth Street, this city.

"I was very weak, and just not able to go about or do my work. I just felt miserable.

"I was all out of heart. I would have spells when my head would hum, and my feet and hands were clammy and cold.

"I would be so dizzy, I would fall. I had read of Cardui and what it had done for others, and so I, too, began taking it. I had been aching and hurting awfully.

"After I took Cardui, I quit having the dizzy spells. I kept on taking Cardui, and saw then that I was being helped. I was not nearly so weak, and from that time I have felt better. I took six bottles in all."

Cardui is a purely vegetable remedy and contains nothing harmful or injurious. It may be safely taken by a delicate young girl as well as by a feeble old lady.

Cardui has been in use by women for over 50 years, and great numbers of women have reported that it helped them back to health.

Get a bottle today.

Charlie Smith was absent Friday afternoon. Was he ill?

Hazel Owen was absent Monday.

We have two new classmates, Mildred Copus and Dallas Criswell.

Maidelle Smith has a new pair of boots.

Short descriptive paragraphs showing the use of adjectives. Last week we studied the part of speech 'adjective' and this week we are showing the use of adjectives.

It was a jolly time to camp out on the mountains where the streams of sparkling water could be seen in the distance. There were many humorous boys in this camp; they were handsome too. Sometimes they were impatient about what they were to do next. One night while they were sleeping four cats came howling around camp. With a warlike whoop they frightened the cats away.

Joe Dusek.

Flowing from the mountain side was a jolly, sparkling stream. This

stream was caused by the warm sun melting the heavy winter snows. Away the merry stream flows down into the valley where it becomes gentle and warm. The merry sun gleaming down upon it makes a lovely sight. From the many small villages the happy children watch the sparkling stream. The beautiful, stately trees grow over it and watch with longing eyes the happy stream as it makes its way to the large ocean.

C. W. Gjedde.

There was a knight who was very jolly; he was handsome too. He always wore a gem that was gleaming and sparkling. His favorite pastime was to eat brittle candy and tell humorous stories. A very warm, gentle heart had this knight.

Carroll Green.

It was an exquisite poem, jolly, and sparkling with humorous lines. The jovial landlord and the handsome hero take the main part, but the loveable and bewitching heroine is not far behind. When the frightful, warlike, soldiers come after the impatient landlord, the gentle heroine begs them not to use that gleaming sword on him. They consent and drive off in the heavy coach. The cross captain makes the otherwise warm and happy day very unpleasant.

Roy Baskin Jr.

Have you read that humorous poem, 'The One Horse Shay,' written by Holmes? I can almost see his happy, sparkling eyes as he read it aloud to some crowd. Holmes was such a jolly, loveable fellow that everyone knew. He was not a handsome man but that does not harm his 'exquisite character. He was never impatient nor cross with children and often told them humorous poems.

Ernest Sharpe.

The warlike knight came on his

handsome, heavy war-horse through the four gates of the castle. It was a warm day and all the inhabitants of the castle were impatient for his return. When he came into the castle everybody was happy and jovial. He had come from a frightful war and his jolly father and loveable mother wanted to come home to a banquet and tell of his adventures. The dinner was a happy one; many were the humorous jests that crossed sparkling wine and gleaming venison.

Giles Avriett.

### BAPTIST WOMEN WILL MEET HERE JANUARY 21

A joint institute of Baptist women from Milam and Robertson County will be held at the First Baptist church, Cameron, on Tuesday, January 21, beginning at ten o'clock in the morning. Mrs. T. C. Jester of Houston, state young people's leader, and wife of the pastor of Baptist Temple in Houston has been secured to teach the book, 'Things We Should Know.' All the women of the counties who are members of the W. M. U., and particularly the officers of the local and of the county organizations are urged to take the course.

Everyone attending will be expected to bring a light lunch of sandwiches.

### COUNTY PARENT-TEACHERS TO MEET IN HOYTE

The Milam County Council of Parent-Teacher Associations will have an all day meeting at the school house at Hoyte on Saturday, January 18. The program will begin at 10:30 in the morning, lunch will be served at noon by the Hoyte Parent-Teacher Association, and the business session will be held in the afternoon, beginning at two o'clock. It is hoped that each Parent-Teacher organization in the county will be well represented at the meeting.

# To The People of Cameron:

In asking for re-election to the office of City Marshal I feel it my duty to inform the people of some of the things I have done as an officer, otherwise I would not mention them.

First, I have helped as best I could and co-operated with every thing or organization in the city for the betterment and uplift of the community, including City Council, United Charities, Boy Scouts, Health and Sanitary Officers, Schools, Local Lodges, Sheriff's Department, Etc. I have lent a hand to every worthy cause that has come my way. I have also in many cases helped people that have come to me with their personal problems that might have ended in the courts.

I have felt it my duty to help keep the laws as well as enforce them, and when performing the duties of an officer, I have met the people as a friend and not an enemy of revenge, with fairness to all.

As to cases I have filed, there have been about six hundred, besides those I filed with the Sheriff's Department, which was out of the City Jurisdiction. All but two of these cases plead guilty; those two fought their cases but failed to produce evidence to clear them of the charge and were fined.

We could have had between two and three thousand cases if I had pushed the small offences mostly minor traffic violations, such as lights and horns of various kinds. And you, and you, and you would have had to pay, but instead of fineing I have tried to correct these things by calling your attention to them. The people have been very nice to help me in this way.

I have also worked to keep the town free of suspicious characters that could not explain their presence here. During the past few weeks we have sent between forty and fifty such people on their way, while on the other hand I have made an effort to welcome and accommodate worthy strangers that come to our city, and other things too numerous to mention but I want to say this:

My interest is in the boys and girls of our town.

In 1925, while I was bookkeeper and office deputy for Mr. Blaylock (the Sheriff), there was a set of boys that kept that department busy (and since there have been several sets.) They were doing every kind of mischief conceivable and some were at times put in jail. Now, I don't believe in jails for boys, so after I went into the office of City Marshal, I began to work with these boys. I had an agreement with Mr. Blaylock not to lock them up unless it was absolutely necessary, so at their first offense (a burglary) I gathered those boys into my office. No, I did not put them in jail, but I talked to them and tried to make friends with them, which I did, for such

boys consider an officer their bitterest enemy. I told these boys I was there to help them and that I would help them to get anything within reason if they would only come to me instead of stealing it. They did and I have helped them with the assistance of some of our prominent business men to whom I'm very thankful.

I got each of these men to act as a guardian for one boy and to cultivate the boy's acquaintance and friendship, and to give the boys little jobs so they might make money to buy clothes, hamburgers, sweets, picture show money and other things that boys want and must have a certain amount of.

Then I had these boys to report at my office (in some cases) three times a week and we'd have a heart to heart talk. Today these boys are my friends and you don't hear much out of them. I have also had a few girls, mostly runaways and in most cases with boys and girls I have taken care of them while here and persuaded them to return to their homes and have helped them to get back.

I am not saying I reformed them all, but I have helped to a considerable degree. We still have things to come up and always will, but I am for the boys and girls always. I think Cameron's young people are far above the average in conduct and character; they have shown me all the consideration and respect any one could ask for, and I heartily thank them.

I also think Cameron is as clean and free of crime as any other town. From the news papers you get an idea. There are still a few criminals loose and no officer or set of officers can prevent crime.

We have as you all know outgrown the horse and buggy and a one town officer stage, with thousands of people and cars passing through our town daily it is impossible for one man to attend to the traffic, night watchman, and the duties of the office. I want to say the men assisting me are gentlemen and perform their duties with courtesy to all. They have my instruction, at all times, to treat people as they would like to be treated.

In conclusion I want to thank the people who have so kindly helped me in my work and especially Mr. Fisher, Superintendent of the Schools, for his co-operation in things that have come up in the schools. I also want to thank you for your votes in the past and coming election.

## PROBATE COURT

John Green, colored, by a verdict of the jury was adjudged a lunatic on January 4.  
O. A. Boecker appointed guardian of the estate of Nettie Lovenia Hearne, a minor. W. O. Newton, Raymond Beard and Philip Reid appointed appraisers.  
Joseph Klement appointed administrator of the estate of Adolph F. Klement, deceased. Bond fixed at \$10,800.00. W. O. Newton, Lester Williams and Raymond Beard appointed appraisers.  
Will of B. W. Robison admitted to probate. Ann Robison appointed independent executrix without bond. Misses Annie Stallworth, Theresa Jensen and D. B. Worcester appointed appraisers.

## DISTRICT COURT

Monday morning in District Court Will Martin pleaded guilty to unlawful possession of intoxicating liquor for the purpose of sale and the jury assessed his punishment at one year in the penitentiary. The offense was alleged to have been committed in September 1928 but no arrest was made on account of absence of defendant, until recently.  
Judge Watson will leave Monday for San Marcos where he will hold special term of court three weeks in the 22nd district for Judge M. C. Jeffrey.  
There will be no trials here during that time. The docket here is in such

condition that a short absence of the trial judge will not seriously interfere with the disposition of the cases.

## Exposed Metal On New Ford Cars Is Rustless Steel

'Rustless steel, a material familiar to the housewife in cutlery, has been brought to a high state of perfection to increase the beauty of new bodies for Model A Fords, shown here,' said Mr. York, local Ford manager today. 'The improved metal will supplant the use of nickel or chromium plating on these automobiles.'

'The new Ford bodies, painted in new and attractive colors, are now on display,' said Mr. York, who emphasized the fact that no change in price will be made.

## Use Rustless Steel

A distinctive feature will be glistening head-lamps, radiator shell and hub caps of the new material, which has a polish fully as high as that of nickel plate. Nor will this polish tarnish.

No matter whether brought into contact with water, ice, snow or steam the specially treated metal does not rust. And its silver gleam is not plate. It exists all the way through.

Rustless steel, however, is only one interesting feature of many which make the Model A more desirable than ever. The complete ensemble has added beauty, combined with greater dignity—a more substantial look. It is fresh and new without being tricky. No attempt has been made to do anything sensational just as a passing whim.

## Tudor Sedan Roomier

The most notable changes in body types have been made in the Tudor Sedan, the Coupes and the open cars.

The Tudor Sedan, most popular of the five passenger closed cars, is longer. There is more room for occupants of the rear compartment. Access is easier around the folding seats. In exterior appearance the car is much improved. It still retains the crown roof effect with rounded corners on the rear quarter, the beauty of which is accentuated by a new body belt and moulding.

## GAUSE 4-H CLUB

Our club met Wednesday morning, January 8th. We had a nice meeting although we would have enjoyed it more if Miss Bartholomew could have been with us. We had a good attendance which every member answered roll call of what they had done since the last meeting.

A new secretary and reporter were elected for the coming year being Lois Roper for secretary and Ruby Luce for reporter.

The club decided to give the state

inspector and other visitors, also our teachers, a lunch at Mrs. Keys residence on Thursday, January 9th.

The club also decided to bring to next meeting money or chickens to buy a stove and other things which we need in our club work. We were then adjourned.

Reporter.

## NEW OAKLAND-PONTIAC PRICES ANNOUNCED

Prices of the new Oakland V-type Eight and the New Series Pontiac Big Six were announced at the New York Automobile show by W. R. Tracy, vice-president in charge of sales for the Oakland Motor Car Co.

50TH ANNIVERSARY

TIME-TRIED AND FIRE-TESTED

Have you been taking chances? If so do not let another day pass without buying fire insurance.

LET THIS AGENCY PROTECT YOU

**Amethysts and Opals****Used as Road Material**

A street almost literally paved with amethysts has been reported to the Berlin geographical society by Prof. Otto Quelle of Bonn university, says an Associated Press dispatch from Berlin.

He found it in Brazil, in the province of Bahia, where he visited German gem cutters' and polishers' colonies that have mined and handled 3,000 hundredweight of amethyst.

Whole streets, he said, are paved with the waste material, that gives them a lovely violet sheen. Doctor Quelle said he knows of a place in Siberia where opals are so plentiful that the coarse grades are used as road building material.

The Deutsche Allgemeine Zeitung reports roads at Bernstein, in the Austrian Engenland, graveled with waste from the semi-precious serpentine stone.

In the same country, near Rejnitz, are roads of a beautiful green shade, said to be free from dust. They are surfaced with waste from asbestic stone.

**Vegetables Offered to****Gods of Ancient Times**

Turnips, beets and radishes were a respected trio of ancient Greece, all three having been acceptable offerings at the temple of Apollo in Delphi. Their positive rank may be judged from the custom of dedicating turnips in dishes of lead, beets in silver and radishes in beaten gold.

Though radishes are thought to have come originally from China, their cultivation is of great antiquity in Europe. In earliest times they were generally boiled, but later Roman physicians recommended that they be eaten raw, with salt, before breakfast. A sirup made from them was used to cure whooping cough and maladies of the chest.

Turnips, too, were thought good for hoarseness and coughs, and also effective as a poultice for the feet. So important were turnips to the poet in the Middle ages that they appeared on armorial bearings to denote a person of good disposition who relieved the destitute.

**Tracing Popular Idioms**

Professor Smith in his "Words and Idioms" gives many expressions coming from the chase, and from hounds and horses in particular. A few of the canine idioms, he points out, come from dog fighting.

From his list we pick the following: "To dog the footsteps of," which points to the faithfulness of the friend of man; "Not to have a dog's chance," meaning having no chance at all; "To have a bone to pick with"; "To teach old dogs new tricks"; "A bone of contention"; "To bristle up"; "To go off with one's tail between one's legs"; "Top dog"; "Under dog"; "His bark is worse than his bite," and "A hang-dog look."

The commonest phrase of all is "dog-gone," especially as used as an expletive with "it" following.

**Governor Obeyed Orders**

A governor, the talking motion pictures reveal, was giving a memorial address in the South, before a large crowd which applauded his utterances, but those who saw the pictures found humor in the scene which his gathering probably missed.

The microphone, being on the stage, gives the theatergoer some of the conversation which is missed by the most earnest listener in the crowd which stood in front of the platform.

The governor was closing his address and as he sat down he put his hat on, but as the applause began, a woman standing beside him, probably his wife, spoke up quickly, "Take your hat off."

And the governor did.—Springfield Union.

**Got the Knees Mixed**

Johnny was complaining of a badly bruised knee. It had always paid him well when he took his hurts to mother because she soothed his feelings with a 5-cent piece.

On this occasion Johnny needed 5 cents for a top. He remembered that he had a small bruise on his knee and if he could only make mother believe that it pained him, all would be well.

Mother listened to Johnny's tale of how he had fallen on his knee and bruised it. She asked to see the knee and Johnny sensed victory. He hurriedly pulled his stocking down, but alas and alack! It was the wrong stocking!—Philadelphia Public Ledger.

**Good Customer**

"I've forgotten what the other thing was I came for," said the small girl in the grocer's shop.

The grocer tried to be helpful.

"Was it cheese, bacon, butter, margarine, lard, tea, coffee, cocoa, sugar, jam, marmalade, biscuits, bottled fruit, chutney, piccalilli, bloater paste, potted meat, baking powder, soap, soda, spice, rice, tapioca, semolina, macaroni, currants, raisins—"

"I remember now. It was can you tell me the right time, please?"

**Don't Be a Quitter**

Quitting is one of the worst traits of the human race. And one of the most common, too. One little setback and we throw up our hands in disgust. The fellow who wins is the one who can take a reverse and come back smiling.—Grit.

**FROM THE FILES OF THE CAMERON HERALD**

24 Years Ago

M. M. Johnson was quite sick several days this week.

R. L. Batte spent Sunday in Waco.

Attorneys W. K. Clement and J. W. Garner of Rockdale have been doing legal business in Cameron this week.

T. F. Hardy, president of the State Bank of Cameron spent Tuesday night in Waco, the guest of Mr. and Mrs. J. W. Bassett.

Mrs. J. M. Ralston is visiting in Houston.

Dr. Sapp came in from New Orleans Wednesday.

**Mrs. A. N. Green Is Hostess To Friends Wednesday Afternoon**

If it had not been for the cozy warmth of the rooms, members of the As You Like It Club would have imagined themselves at the top, or at the bottom of the world Wednesday afternoon, when they were guests of Mrs. A. N. Green.

The living room and the music room of the home had been transformed into perfect snow scenes, with even the ceilings draped with snowflakes of cotton hung on white thread. There were four snow men, one near the piano, which itself was covered with sparkling snow, another in the living room, and the other two in the dining room. A miniature snow house rested on the library table, and tiny snow-covered fir trees were noted everywhere. A most realistic touch was added by a pet kitten 'Snowball,' as round and as white as the name implies, which played about the rooms.

Tables, the legs of which were wrapped in white, and which were covered with white cloths, had been placed for games of 42. Pencils were wrapped in white ribbon, and tallies were handpainted snow scenes, the work of the talented hostess. High and low awards, which fell to Mrs. A. C. Strickland and Mrs. E. A. Flinn, respectively, were hand-painted pictures, also done by Mrs. Green.

Following the games, the guests were served pressed chicken sandwiches, cake and pineapple snow. Trays utilized for the service were centered with hand-crocheted white baskets filled with popcorn 'snowballs' and resting on mounds of imaginary snow. These went as table favors to Mesdames Tom Denson, J. C. Martin, Jewel Barmore and R. H. McIntosh. Plate favors were tiny fir trees which were stuck in the salad.

Mrs. Green was assisted by her daughter, Mrs. John Pierce of Corsicana, Mrs. C. N. Green and Mrs. Leeland Green.

**HISTORY CLUB PROGRAM IS INTERESTING EVENT OF WEEK**

Mrs. J. P. Love was leader for the afternoon and Mrs. Tom Denson was her assistant at the regular meeting of the History Club held Tuesday afternoon with Mrs. J. C. Martin as hostess. Mrs. Denson gave an interesting discussion concerning the manufacture and use of glass, and Mrs. Love based her discussion on a statement by Robert Quillen that the development of the compassionate side of human nature is evidence of an advancing civilization. To support this fact Mrs. Love culled bits from magazines and papers and from radio talks and passed them on to the club members.

During the business session preceding the program Mrs. Paul Webb's resignation as a member of the club was accepted, and Miss Kathryn Flinn's resignation as treasurer. This office will be filled with an appointment by the president.

The hostess served a salad course and hot tea to those present, which included two visitors, Mrs. R. H. McIntosh and Mrs. Wm. Cobb.

**CHRISTIAN CHURCH**

Sunday school at 9:45 a. m. Morning hour of worship at 11 a. m., sermon 'The Seen and Unseen.'

Evening hour of worship, 7:15 p. m., sermon 'The New Birth.'

Prayer meeting Wednesday, January 22, at 7:15 p. m.

'Life's greatest achievement—what is it? Those who attend the Christian church at the morning hour of worship last Sunday heard Rev. Hardigree deliver a wonderful message on that subject. He explained that wisdom, wealth, health, love, etc., are the means by which we may attain happiness, but real happiness is obtained by obedience. We obey our parents, not because we fear or dread them, but because we love and respect them. The same situation exists between God and us. We obey Him be-

cause we love Him, we respect Him and have a high consideration for Him. Solomon's father amassed great wealth but Solomon, himself, considered it vanity and asked for wisdom. Happiness is not judged by expression, but by poise in relation to God and man, and we are happy if we love and obey Him. Happiness, therefore, is life's greatest achievement.

**CARD OF THANKS**

We wish to thank our friends and relatives for their assistance to us during the illness and death of our dear beloved husband and father. We wish to thank every family for the flowers brought to us in our hours of bereavement when our dear one passed away.

Mrs. Will Hurry,  
daughters and sons,  
Flossie Hurry  
Willie Hurry  
Gladys Hurry  
Mary Hurry  
Elmo Hurry  
Bennie Lee Hurry.

**METHODIST CHURCH**

We extend a most cordial invitation to the public to attend the services at the Methodist church next Sunday. At the 11 o'clock service the subject of the sermon will be 'The Acid Test in a Christian's Life,' and at the 7:15 p. m. service 'The Healing of Naaman and its Meaning to Us.' Good music, morning and evening. We had a number of strangers at the services last Sunday; let them come again as well as any others who have no church home. Every Methodist is expected, of course. Test our welcome.

**MISS DULCIE McCALL IS HOSTESS TO BRIDGE CLUB**

Decks of cards served as game awards, when Miss Dulcie McCall entertained members of the Monday Night Bridge Club at her home this week. These were won by Mrs. Penn Wolfe, who was high for club members, Mrs. Dero Jenkins of Rockdale, high for guests and Mrs. Earl Burke, low.

At the conclusion of the games the hostess offered her guests a salad course and hot tea. Players other than club members were Mrs. Dero Jenkins of Rockdale, Mrs. Hilton Culpepper, Miss Dallis Young and Miss Bess DuBois.

**BOOK A MONTH FOR SENIOR METHODIST LEAGUE**

The Senior League High of the Methodist church held a Council meeting Monday evening at the home of Mrs. Raymond Sharpe. Mrs. Henry Dryer is president of the group. It was decided for the League to follow the plan of reading a book a month, and

they will begin with a mission book. The course of study outlined for such a plan includes fiction, biography, history, and books on religion.

Candy and fruit were enjoyed by those present at the close of the business meeting.

**One of the Strongest Forces In the World**

One of the strongest forces in the world is human desire. It is the force that inspires most human action. Create a desire in a man for a certain career and he will bend every effort to attain it. Create desire in a man to possess a home or any material object and he will use all his resource to achieve that end.

Create in man a desire for a certain kind of tooth brush and he will pass up all others for this particular brush.

Desire is created by advertising—judicious, well written advertising, and if the advertising is backed by good merchandise and modern merchandising methods it will sell the goods. Advertising has not created the law of human action. It merely takes advantages of laws of human reaction and conduct that have always been in existence.

**THE CAMERON HERALD**

## POLL TAX PAYMENTS URGED FOR SCHOOLS

CITIZENS ASKED TO PAY EARLY  
AND AVOID RUSH OF LAST  
FEW DAYS

Payment of poll taxes to aid the public school fund and to make ready for the elections to be held in 1930 and the registration of automobiles, is urged in a statement by Roy Law, tax collector for Milam County, in a statement issued to the people of this county.

This statement which appears elsewhere in this edition sets out the need for payment of poll taxes, first because the funds thus received benefit the public free school fund of Texas and then because 1930 is political year and every citizen will want to vote upon public questions submitted as well as for those to whom they wish to trust their public offices.

Registration of cars should be made early because the last few days congestion always occur despite the fact that the office force of the collector is efficient. Cars cannot be operated later than February 2 without new license plates.

The following is the statement issued by Mr. Law which is an appeal to the people of the county to co-operate in these matters and this statement is presented here with the knowledge it will be appreciated by the people:

"Time for payment of taxes is now far advanced and only a few days remain in which to pay your taxes, let me urge you to register your automobile and get your poll tax now.

"It is important that every tax payer and every voter and every car owner take note of this situation and make payments as soon as possible.

"While the office of the tax collector is ready at all times to give maximum service, in the last few days it is not possible to make car registrations without penalty or obtain voting receipts when the time limit set by law arrives.

"Tax payers please remember that most of the money paid in for poll taxes goes to the public free school fund and unless there is a full payment the schools will be deprived of these funds. This is political year, a time when every citizen within the ages prescribed by law may vote upon every public question submitted and for those to whom they wish to trust their public offices. This is important. You do not want to be deprived of your right to vote or see the public schools suffer for lack of adequate funds.

"The law requires all automobiles to have new license plates by the Second day of February, on and after that day no motor vehicle which has been used in 1930 may be registered without paying a penalty of twenty per cent.

"To avoid penalties on ad valorem taxes and get voting receipts they must be paid before midnight January 31. If the tax payers will co-operate in these matters by making early payments they will profit and so will their county and state. Do not wait until the last day but make your payments now, get your poll tax receipts and help your school and do not fail to register your car before the last day when congestion may inconvenience you.

## YOE HIGH BASEBALL TEAM ORGANIZED

BOOTS SMITH, STAR INFILDER  
TO LEAD DIAMOND TEAM  
IN 1930

At the request of A. C. Strickland, who is to coach the Yoe Hi baseball team, a meeting of the boys who expect to go out for the team was held a few days ago. They discussed plans for the coming season.

The lettermen of last year elected Robert (Boots) Smith as captain by a unanimous vote. 'Boots' was a star infielder of last season. Sam Hazelwood was elected business manager and George (Tip) Moore was elected official sports writer.

The members of the team have already started trying to make enough money to carry them through the season. They look forward to a successful season, as they have a large number of last year's letter men back, besides a number of new men who are expected to add much strength to the team. A program under the auspices of the baseball team is to be given January 28 at the High School auditorium. Announcements with reference to this program will be made later.

It is hoped that the people of Cameron who are interested in student activity will support the team in all of its work.

## DAN TYSON CANDIDATE FOR ANOTHER TERM

POPULAR ASSESSOR-COLLECTOR  
ASKS RE-ELECTION ON FINE  
RECORD OF SERVICE

Dan Tyson is a candidate for re-election to the office of assessor and collector of taxes for the city of Cameron subject to action of the city Democratic primary election on February 4.

The announcement of Mr. Tyson for re-election to this office will be pleasing to the people of Cameron and his many friends everywhere over the city will lend their support to re-elect him to this responsible place in the city government.

Mr. Tyson in serving the people in this office has given the best service his experience is capable of rendering. His unusual ability and experience in tax matters well qualifies him for this place and he has served the people with distinction and rendered a service that has made more efficient the government of the city of Cameron.

Mr. Tyson has made an intense study of location as to blocks and lots and their number and this information is very valuable to the property owners as well as the city. All of this valuable store of information appears accurately upon the tax records of the city of Cameron and is available for the convenience of tax payers and for any other information necessary and lends efficiency to the conduct of the business of the city government.

On the occasion of the annual audit of the records of his office the certified accountants of public records find his books correct in every detail and Mr. Tyson is commended for his efficiency.

All the duties of this office are given the personal attention of Mr. Tyson and he is courteous and accommodating at all times.

Mr. Tyson appreciates the interest of the people in electing him to their office and in gratitude gives back to them this fine service each year. Mr. Tyson hopes to see each and every voter if possible but his duties require him to be constantly at his place of business at this time of the year. He solicits your vote and support and will greatly appreciate any effort by his friends in his race for re-election.

## CORA LEE McDERMOTT IS BURIED AT MARLOW

MANY GATHER TO PAY TRIBUTE  
TO DECEASED FORMER  
RESIDENT HERE

Funeral services for Miss Cora Lee McDermott, whose death early Thursday morning, January 9, was the result of a fireworks explosion during the Christmas holidays, were held Friday afternoon at three o'clock from the Baptist church at Marlow, with Rev. E. S. Hutcherson the officiating minister. The little church was filled to overflowing with friends of the McDermott family, who in spite of the disagreeable weather, gathered to pay their last respects to the dead.

Miss McDermott was nineteen years of age on December 9, 1929. She was born in the Marlow community, but while she was a student in high school her parents moved to Beaumont, and she was graduated from the high school at that place. After her graduation, she completed a course at a business college in Beaumont and went immediately into a good position with quite a bright future. With her family she came to Cameron to spend the Christmas holidays with relatives and it was during the course of this visit that she was the victim of the accident which claimed her life.

She joined the First Baptist church of Cameron in 1923 and remained a member of that body until her death. She was faithful in Sunday school and B. Y. P. U. services. In his funeral remarks Rev. Hutcherson characterized her as being faithful to duty, obedient to parents and pleasing to her teachers. She was reserved in conduct with her associates. She was optimistic and appreciative.

Interment was in the cemetery at Marlow, with Green Brothers in charge of arrangements.

Miss McDermott is survived by her father and mother, Mr. and Mrs. John McDermott; two sisters, Kathleen and Myrtle McDermott; and three brothers, Bill, Robert and Giles McDermott, Jr.

## Seal Quota Of \$500 To Be Reached In Milam Campaign

For the first time in several weeks, the committee which had charge of the sale of Christmas health seals feels confident that the necessary quota of \$500.00 will be raised in a short time. Precinct chairmen and their assistants are making personal calls on those people who neglected to respond to letters sent them with stamp enclosures before the Christmas holidays, and the results of these personal canvasses are most gratifying.

It is hoped that a final report can be made within the next few days.

## FRANK STEWART BUYS NUWAY STORE HERE

TAKES CHARGE OF POPULAR  
GROCERY THIS WEEK AND  
WILL OPERATE SAME

Frank Stewart, who has been manager of the NuWay grocery store in Cameron for the past two years, has purchased the store and has taken charge of the business.

The store will be operated under the name of NuWay but will be owned by Mr. Stewart who has been active in business here for a number of years. His experience in the grocery business will assist him in the conduct of this business.

In this issue appears an announcement of the purchase by Mr. Stewart who asks his friends here and the patrons of the store to continue their patronage.

Mr. Stewart will conduct this business on the same high plane it has been conducted in the past and will sell nationally advertised foods at popular prices, carrying out the policy of NuWay in the future of this business.

## B. SLOCOMB CANDIDATE FOR RE-ELECTION

APPEALS TO PEOPLE ON RECORD  
HE HAS MADE IN MARSHAL  
OFFICE HERE

B. Slocumb, city marshal, is a candidate for re-election to that office, subject to action of the city democratic primary election to be held on Tuesday February 4, 1930 and has requested his name to be placed in the proper column in The Herald.

In making his announcement for re-election Mr. Slocumb has issued a statement to the people of Cameron which reviews his record in office here. This statement is contained in a display arrangement elsewhere in this edition in order to give it prominence. Mr. Slocumb desires that each voter in the city read this statement which he has prepared based on his record as city marshal here.

Mr. Slocumb in his race for re-election hopes to be able to see and talk with each voter in the city and to make such canvas of the electorate as his time away from duties will permit. Mr. Slocumb bases his candidacy on the record he has made and tells the people of Cameron just what he has accomplished since he has held the office of marshal.

Mr. Slocumb appeals to his friends over the city to lend their support to his candidacy and promises if re-elected to continue the efficient service he has rendered in the past. His experience as an officer has been over a period of years and he feels he is better qualified as a result of his experience in the office of marshal during the past terms.

## New Essex Cars Arrive At Cameron Tire Store

The New Essex cars have arrived at the Cameron Tire Store. The store is showing the Essex Broughan, the first of its type to be manufactured by the company and also the new standard sedan and the coach. The improvements amount to a revolution in the design and finish of this car.

The new Essex is truly a new car from every standpoint as pointed out by August Horstmann of the Tire Store. These cars are ready for demonstration and the management will appreciate applications for demonstrations. The cars were unloaded on Wednesday.

## ROY LAW RECOVERING FROM EYE OPERATION

MILAM COUNTY TAX COLLECTOR  
RETURNS FROM TEMPLE MUCH  
IMPROVED IN HEALTH

Roy Law, tax collector for Milam County, has returned to his home in Cameron from the eye, ear, and nose hospital in Temple where an operation was performed last week to restore sight to normal in his left eye. A maxillary sinus operation, a very painful surgical necessity has resulted in the recovery of Mr. Law and his many friends will be pleased to note that he is able to return to his home in Cameron.

The operation at this time is very unfortunate for Mr. Law because of the duties of collecting taxes, during the month of January but the efficient office force of the popular collector is carrying on the business of the office and serving the tax payers. Mr. Law is at his home and except for trips to Temple for additional treatments is able to see his friends. He hopes to be in the office during the last few days of the month to assist the people in the matter of paying their taxes and registering their automobiles.

A notice in the last issue of the Cameron papers called attention to his misfortune at this time and his many friends will be glad to know that he is recovering.

## Legion Here Votes To Hold District Meeting March 16

At the regular monthly meeting of Edwin Hardy Post No. 9, American Legion, held Tuesday evening at the Ada Henderson school, it was voted to invite the next meeting of the district to come to Cameron on March 16. This will include the sixth congressional district. The membership also voted to launch propaganda to go in with other service organizations of the city to rid the courthouse lawn of unsightly buildings on the north-east corner of the property, according to J. D. Baskin, post commander.

State Commander Ernest Cox was scheduled to address the meeting, but he was prevented because of illness. A musical program was given by Misses Imogene Sapp, violinist, Frances Sharpe, pianist, Arnette Ryan, pianist, Mildred Clinton, violinist and Mary Ellen Manning, pianist.

Refreshments were served after the program.

## BASKETBALL MEET IN CAMERON FEBRUARY 14

INTERSCHOLASTIC MEET TO BE  
IN ROCKDALE AND BASKETBALL  
PROGRAM IN CAMERON

The Executive Committee of the Interscholastic League Meeting met in the district court room at one-thirty o'clock Saturday afternoon, January 14th. There were present S. C. Miles, Rockdale, Director General; Mrs. W. H. Lyons, Sharp; Mrs. H. P. Shead, Milano; Fred Hodges, Yarrelton; C. R. Middleton, Sharp; Wesley Edwards, San Gabriel; Roy Hensley, Jones Prairie; T. A. Fisher, Cameron; Miss Ivy Armstrong, Cameron and Mrs. Kathryn K. Robbins, Cameron.

February 14 and 15 was fixed as the date for the boys' basketball tournament and March 7 and 8 for the girls' basketball tournament. Both of these events will be held in Cameron. The County Meet will be held in Rockdale March 21 and 22.

Miss Ivy Armstrong was requested to organize the work for the girls' athletic contests and mail out this information to all prospective contestants.

The contest for choral singing will be directed by Mrs. H. P. Shead of Milano. There will be two separate divisions: Class A schools, Rockdale, Cameron and Thorndale compete in same divisions and all other schools, regardless of the number of teachers will compete with each other.

The selection of awards was left to the director general, Supt. S. C. Miles of Rockdale.

An entrance fee of 10c will be charged for admission to all events at the County Meet. Contestants will be admitted free.

## Temple Educator Is Speaker For Lions

Taking for his subject Lionism and its application to the relationships that exist in the community among men, Superintendent Mead of the Temple schools, made an interesting talk to the Lions on Tuesday. Thirty-two Lions heard the talk and appreciated the suggestions made by Mr. Mead.

Secretary Wendt of the Temple Lions Club was a guest at the luncheon.

The club has made its plans for 1930 and the program is an impressive civic undertaking.

## PUBLIC PLAYGROUNDS DISCUSSED BY TEACHER

PARENT-TEACHERS HEAR MISS  
IVY ARMSTRONG IN ADDRESS  
LAST THURSDAY

The subject of public playgrounds during vacation time was discussed by Miss Ivy Armstrong, teacher of playground activities in the Ada Henderson School, at the regular meeting of the Parent-Teacher Association held last Thursday afternoon at the Yoe High building.

Miss Armstrong first outlined a general plan for supervised playground activities during the summer. In discussing expenses, she said that actual costs of such a project could be limited to equipment, which would not reach a high figure, and the salary of a supervisor. Other help could be of a volunteer nature from different organizations. Her suggestion for securing this money is through donations from the churches and civic organizations of the city.

A day's program of organized play would probably consist of opening exercises, at which time special days could be observed, twenty to thirty minutes of free play, organized games hand craft or stories, games of low organization, and a closing period of songs.

Miss Armstrong is of the firm belief that the day of supervised playground activities for vacation time in the small town is not far in the future. For the success of this project, however, as well as for any other, the people must be made to realize the necessity of such a program in the life of the child. Realizing that the people of Cameron are not ready for such a program, she gave only a general working plan. When the idea is firmly fixed in the minds of the people will be the time for more definite plans.

The discussion which Miss Armstrong gave Thursday afternoon was limited to the benefits that might be brought about by the supervised activities of public play. As contrasted with the busy life of the school term, vacation is a period of leisure for the child, and the problem is to persuade him to use this leisure time in the proper manner.

The activities of a public playground are so varied and interesting to both the child and the supervisor that the response to the good that is in them is inevitable, the speaker said. In games and sports how can a child be taught good habits? He learns to work in a group, he has to play fair, he has to be unselfish, he must have enthusiasm, he must have pride, he must have will-power, and he must face defeat. This is all play, but these same habits involve his actions in the game of life.

## Dodge Cars For 1930 Impressive Models

Two new Dodge car models feature the 1930 line of Dodge Brothers products according to the Sapp Motor Company in Cameron, local dealers.

One of the models is a new Dodge Six and the other a new Eight in line, a most impressive motor car. While the local firm has not yet received these cars they are on display in the larger cities and the new cars are expected here most any day.

Improvements making the Dodge cars for 1930 one of motordom's most sensational makes of the new year. The price range is as impressive as the cars themselves, low prices that make them among the greatest values ever known in the history of automobile manufacture.

"We hope to receive the new cars within a few days," said John Sapp, manager of the company here.

## GAUSE NEGRO IS HELD FOR KILLING OF WIFE

FANNIE HALL SHOT TO DEATH  
ON TUESDAY MORNING  
JANUARY 14, 1930

Fannie Hall, 38, is dead and her husband, 35, both negroes, is in the Milam County jail charged with murder as a result of a shooting which occurred near the town of Gause at ten o'clock Tuesday morning.

Hall was arrested by Deputy Sheriff Will Vaughn who went to the scene of the killing with Jack Lewis, district attorney. Charges were filed in the court of Justice of Peace J. A. Ely in Gause following the arrest. No examining trial has been held but it was believed the trial will be held in Cameron on Friday of this week with Justice Ely presiding in Justice court.

The body of the woman was found some distance from the house. A charge of shot from a single barrel shot gun had entered the right shoulder, penetrated the knee and tore away a portion of the right jaw. It is said that death was almost instantaneous. Hall says that they were contesting for possession of the gun and it was accidentally discharged. Officers do not agree with this statement as no powder burns are said to have been found on the flesh or clothing. In consequence of the investigation charges of murder have been filed.

Trouble began Monday when they had a dispute over some meat Hall is said to have attempted to take to another negro. According to deputy Vaughn investigation reveals that the woman drew a knife and prevented delivery of the meat. The quarrel was renewed the next day and culminated in the killing. Hall, according to the testimony of neighbors is said to have summoned them to the scene of the shooting and claimed it was accidental.

## NATIONAL FARM LOAN ASSOCIATION MEETS

ANNUAL MEETING OF STOCK-  
HOLDERS AND DIRECTORS  
HELD HERE TUESDAY

The stockholders of Cameron National Farm Loan Association met for their regular annual meeting at the courthouse on January 14, 1930. The following directors were elected: T. S. Henderson, Cameron; J. K. Freeman, Cameron; D. K. Hall, Buckholts; J. H. McLerran, Cameron; Mrs. Mary J. Robinson, Cameron.

After some discussion the following resolution was adopted:

'Resolved: 1st. That we give our approval to the plan recently inaugurated by representatives of Cotton Growers at a meeting held in the City of Memphis, Tenn., for the creation of a cooperative Cotton Marketing Association with a capital stock of \$30,000,000.

2nd. That we favor the location of headquarters of the Association in Texas.'

After the adjournment of the stockholders meeting, the newly elected directors met and the following officers were elected: T. S. Henderson, president; J. K. Freeman, vice president; W. G. Gillis, Secretary-Treasurer.

The following were elected members of the Loan Committee: Will Vaughn, T. S. Henderson, J. K. Freeman. Alternate member, D. K. Hall.

## GLENN FLINN GETS PLACE WITH TEXAS POWER AND LIGHT COMPANY

Glenn Flinn, who has been advertising manager for the Cameron Herald for the past year, has accepted a position with the Texas Power and Light Company of Cameron in the merchandising department.

Mr. Flinn was a valued member of The Herald staff and the management regrets to lose his services and congratulates the Texas Power and Light Company on securing the services of Mr. Flinn.

Mr. Flinn will have charge of the merchandising department of the Texas Power and Light Company and will direct sales in the city of Cameron.

Roy Law, who underwent a sinus operation in Temple recently, has returned to his home here, and is reported improving.

## TEACHERS ON PROGRAM AT PARENT-TEACHERS

### TEACHERS DELIVER TALKS AND TELL PARENTS OF PROBLEMS IN WORK WITH PUPILS

The Parent-Teacher Association met last Thursday afternoon in the library room of the Yoe High building. Miss Ivy Armstrong read a paper on playground activities and this will be published in the next issue of this paper.

At the last two meetings of the association, the programs have been in charge of the teachers. For the December meeting talks were heard from Miss Grace Mangum, Miss Helen Flinn, Miss Mary Lake Henderson and Mr. L. Van Perkins.

Mr. Perkins chose to speak on 'Loafing,' and defined a loafer as a person who does not give 100 per cent of his time, energy and ability to the job in hand. Speaking more specifically, he said that there is a certain amount of loafing among high school students in classes and study halls that cannot be prevented. He maintains that a child cannot be made to study. He may be forced to hold an open book before him, but nothing can make him concentrate on it.

He asked the cooperation of the parents in keeping boys from loafing on the downtown streets. The schools are criticized for this and yet it is a condition over which the school has no control whatever. He stated positively that there is not a student in school, regardless of how bright he may be, who can prepare all his lessons properly during study periods. Every child should do some school work at home.

Miss Mary Lake Henderson spoke in an interesting manner on the parents' part in the social life of the student. She mentioned the fact that he doctor looks out after physical life of the child, the church is responsible for the spiritual growth, the school takes care of intellectual development and there is no arrangement made to care for the social activities. The churches and schools are beginning to meet this need in a small way.

In the broad sense of the word, Miss Henderson said that social life is training in the art of getting along with one's fellow man, and parents can set the correct examples at home and teachers at school. The child should know that he is considered a human being, and he should be treated with respect. This, the speaker maintained, might teach lack of impudence. The child should be taught that he must respect law. This can be done in the home where laws of property and respect are observed.

In a narrower sense, social activities are concerned with matter of etiquette. In the schools this is taken care of in council or home room groups. Miss Henderson asked that the mothers of children assist in school parties and she expressed the belief that children ought to be allowed to give parties often in their homes.

The gist of Miss Grace Mangum's talk has been published in a previous issue of this paper, and that made by Miss Helen Flinn will appear in this column soon.

#### Prized Christmas Card

Frank Cates of the Bartlett Tribune News received a \$10 bill as a Christmas card from a friend whom he had rendered some special service last year. If all the friends that big-hearted Cates went out of his way to serve had been only half as liberal he would have the most sizeable bank account in Bartlett. Frank is the son of a Methodist preacher and still believes as he was taught early, that the best way to get joy out of life is to do as many good turns as possible for his fellowmen.

On December 20 and 21, 9 1-2 inches of snow.

#### EPISCOPAL CHURCH

There will be no service next Sunday on account of the attendance of Rev. Love at the Episcopal Council Meeting in Beaumont.

## Salad Dressing Plant From Kansas To Texas

The Kraft Cheese Company have moved their salad dressing plant from Kansas City to Dennison, Texas, according to a news dispatch printed in the Dallas News.

The plant will use about 800 car loads of eggs each year.

The remarkable growth of the poultry industry in Texas is attracting new industries and the movement of this plant to Texas is for the evidence of the growth and development of the poultry business in the Lone Star State.

## It Is Up To You Young Friend

It is up to you young friend to make the start in the right direction at the right time. Here are a few of my former students that did this, Melvin Traylor, Chas. Patton, Jim McKinzy, Ben Stevens and Fred Florence. These now seasoned young business men are each earning more than \$40,000.00 per year. Not one of these boys had a hundred dollars to his name when I signed his business college diploma but now they each have from a hundred thousand to a half-million. Ask any one of these men what value he would place on his Business College training and he will tell you it is inestimable and that it was the best paying investment he has ever made.

#### Young Ladies

With their secretarial training, also step to the front when it comes to making big money. I call to mind four of my girls that started out with their Business College diploma and no money but lots of determination, that are now each worth more than forty thousand dollars.

#### Exceptions

Yes and No—they are exceptions

Thousands of prescriptions for this remarkable formula were filled by druggists last year, over 50,000 physicians, dentists and welfare nurses recommend and endorse A-Vol as a harmless, safe, rapid relief for pain, depression, fever, cold, flu.

Contains No Aspirin or Other Heart Depressants.

Headaches! Colds! Neuralgia! Dental Pain!

now but they were not when they graduated in the Famous Byrne Simplified Shorthand and Practical Book-keeping, they each started their business career at a moderate salary. It was their thorough training and desire to make good that gave them their rapid rise to success. I'd like to tell you personally the rise to success of all nine of the now fine men and women. It would convince you that

you could increase your opportunities for success many times by attending Byrne College. Many boys and girls who just graduated from high school last June and afterwards entered a Byrne College have graduated and been placed in a position, where they have earned more salary than their tuition, books and board cost them. Some of our graduates of only two years ago have stepped themselves up to managers of departments in large

business houses, others to managers of branch or chain stores. Young friend what hundreds of graduates of Byrne Colleges are doing each year you can do. Start now, fill in for free catalogue and mail to the Byrne Commercial College of your choice, Dallas, Houston, San Antonio or Oklahoma City.

## NOTICE TO TAX PAYERS

Time for payment of taxes is now far advanced and only a few days remain in which to pay your taxes. LET ME URGE YOU to register your automobile and get your poll tax NOW.

It is important that every tax payer and every voter and every car owner take note of this situation and make payments as soon as possible.

While the office of the tax collector is ready at all times to give maximum service, in the last few days, it is not possible to make car registrations without penalty or obtain voting receipts when the time limit set by law arrives.

Tax payers please remember that most of the money paid in for poll taxes goes to the public free school fund and unless there is a full payment the schools will be deprived of these funds. This is political year, a time when every citizen within the ages prescribed by law may vote upon every public question submitted and for those to whom they wish to trust their public offices. This is important. You do not want to be deprived of your right to vote or see the public schools suffer for lack of adequate funds.

The law requires all automobiles to have new license plates by the Second day of February, on and after that day no motor vehicle which has been used in 1930 may be registered without paying a penalty of twenty per cent.

To avoid penalties on ad valorem taxes and get voting receipts they must be paid before midnight January 31. If the tax payers will co-operate in these matters by making early payments they will profit and so will their county and state. Do not wait until the last day but make your payments now, get your poll tax receipts and help your school and do not fail to register your car before the last day when congestion may inconvenience you.

Respectfully,

**Roy Law**

Tax Collector, Milam County

## Legal Notice

The City Ordinance requires every male person above 21 and under 50 years of age to work on streets of the City when notified to do so, or he may pay to the City the sum of \$3.00 in lieu of such work and upon failure to do either, a fine of \$10.00, costs and attorneys fees will be assessed against such person.

By Order of  
**The City Council**

J. C. Joseph, Secretary.

## Texas and Texans

By Will H. Mayes

### Bexar County Roads

San Antonio's popularity as a resort city is largely attributable to the excellent road system of the county, which makes it easy for visitors to get out into the country over good roads. People are attracted to Texas from the North because of the climate. Most of them are from cities and want to get away from cities as much as possible, although they may like the conveniences of city life. These seek places with attractive country surroundings that are easily reached by good roads.

Bexar county has nearly 1500 miles of roads that may be classed as good, nearly 500 miles of which are paved and as much more graveled. Twenty-one miles of roads were surfaced last year by the county at a cost of \$88,634. The county began its work of road improvements when there were few surfaced roads in Texas, and has added new mileage as fast as the funds would permit.

### Highway Patrol

About the first work of the new highway patrol will be to eliminate the hogghishness of the road hog. Texas has entirely too many highway accidents and too great a number of them are caused by autoists who have no regard for the rights of the lives of others. Perhaps the bus and truck drivers are the greatest offenders. The person who will not observe the laws and ethics of highway travel should be denied the use of public roads. The highway patrol can be of great service in securing records of those who persistently 'hog' the roadways.

### Chain Store Control

There is much complaint that the chain stores do not do their part toward carrying the public burdens in the communities in which they are located, and it is not entirely without cause. In too many cases local managers are without authority to contribute to any local enterprises. Their institutions are to sell as much merchandise as possible at the least possible expense and remit the receipts to the central offices. It can not be denied that but few of them contribute a proportionate part to the upbuilding of their localities. Some members of the Texas legislature are considering measures for their regulation. One of these now being discussed would require out-of-state concerns to invest a certain proportion of their profits in Texas or in the localities in which they operate.

### New Year's Resolutions

It is not too late to make helpful resolutions for the New Year. This is to be a great year for Texas and for those Texans with enough of the Texas spirit of progress to take advantage of opportunities that will be presented. Get out of the old ruts; get a vision of better things. Determine that you will start each day of 1930 as though you were beginning a new year—that you will study diligently and work persistently to win the success that should be yours. Do not be satisfied to do less than your full share along whatever line you may be at work. Shirkers are always failures. Effort brings success of some kind.

### Del Rio Airport

Del Rio proposes to keep up with modern transportation and has bought the land for an airport. Arrangements

will be made to improve the property with all the conveniences of a landing field. Proposals are being considered for an aeronautical school in connection with the airport. Bonham and Alice are other Texas towns that have recently acquired airport sites.

### Tomato Area Increased

Farmers in a number of sections of Texas are preparing to go into tomato growing for the market. More tomatoes will probably be cultivated in South Texas than ever before. To make a success of the business it is necessary for farmers to plant enough acreage to attract buyers and to pool their interests in selling. This is being done in a number of localities throughout the State. Heretofore Texas tomato culture has largely been confined to East Texas.

### Will Buy Sewer System

By a vote of 171 to 6 Georgetown has voted \$60,000 in bonds with which to buy and extend the city sewer system. It will not be necessary either to increase the rates or the taxes for the city to own the system, make the needed extensions and pay off the

bonds as they mature. That looks like a good business proposition and there are some other Texas towns that should follow Georgetown's example.

### Snyder Wants Hotel

Snyder has awakened to the fact that neighboring towns with better hotel facilities are getting much transient business that Snyder might get if it only had better hotel facilities. The business men of the city are making plans to organize a company to construct a modern hotel building. Snyder should lack hotel facilities.

### Milk Products Plants

Dairy products plants have increased in number in Texas and the business has grown to such an extent that the manufacturers of butter, cheese, ice cream and other milk products are planning an early meeting to form a State-wide association. As in all other industries, organization is essential to the greatest success.

Every week now brings an increase in the number of milk products plants in Texas and the industry has assumed large proportions. The plant at

Alice has just been completed and the cheese factory at Round Rock will be enlarged again this month, the second time within a period of six months that this has been found necessary to take care of the growing business.

### Cameron County Roads

Cameron county should have as fine a road system as any county in Texas when it completes its system, for which the county will spend \$6,000,000 in addition to the amount that it will receive from the State and Federal governments. The bonds are being issued and sold as the work progresses.

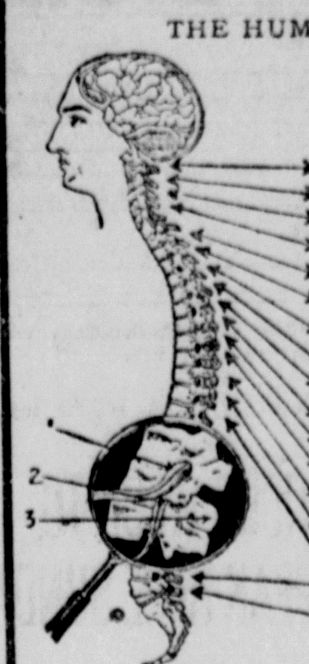

### Panhandle Schools

As an evidence of the increasing interest in good school buildings in the Panhandle section of Texas and showing the growth of that section of Texas, a firm of Amarillo architects announces that it is now preparing plans for modern school buildings in 22 towns in that territory, practically all of which will be constructed in 1930.

### Midland Builds Courthouse

Few Texas counties build courthouses large enough to meet their re-

quirements. The reason is that the counties and towns develop beyond the expectations of those who contract for the public buildings. Midland is one of the latest to announce that a new courthouse will be erected. The building will cost approximately \$300,000, and the county commissioners are hoping it will be large enough to meet the needs for many years.

# 8

IN TEN BODY TYPES, AND AT NO EXTRA COST, A WIDE VARIETY OF COLORS TO SUIT YOUR OWN GOOD TASTE.

... a fine—fast—powerful Eight

We count this our greatest achievement. From front end to tail light it is a new design. In appearance and finish it is commandingly beautiful. And in smoothness it surpasses anything we know.

It outranks anything we have ever done in design, performance or value.

The roadability and riding ease are not excelled by any car at any price. And the price at which it sells questions the wisdom of ever paying more for any car.

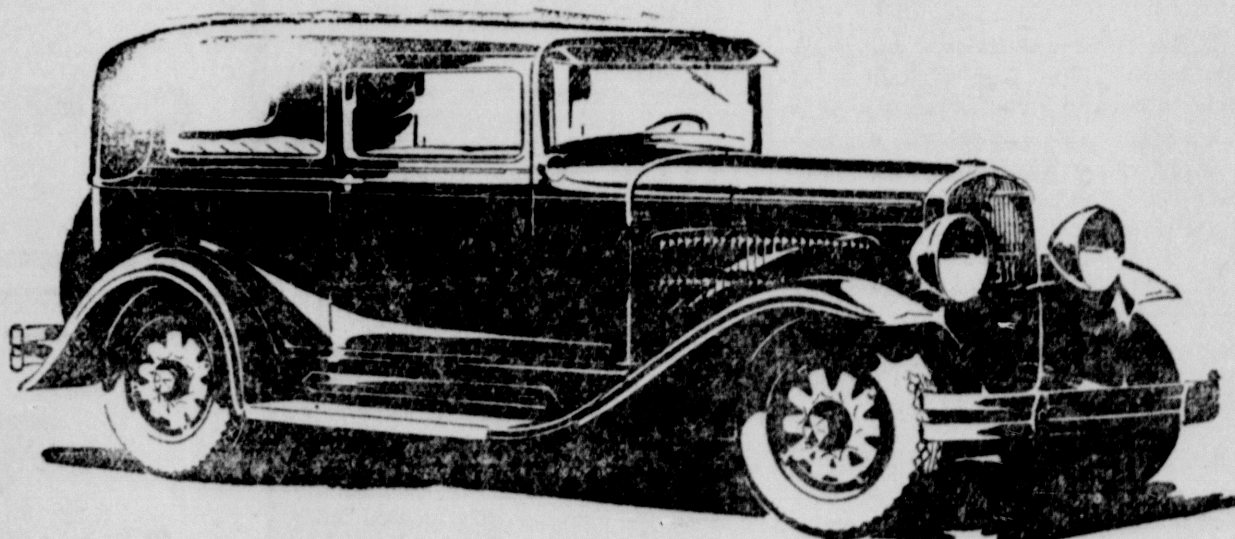

Prices and Details—Lowest finance terms available

Standard Length Chassis—Coach, \$1050; Coupe, \$1100; Standard Sedan, \$1150; Roadster \$1200; Phaeton, \$1300; Sunsedan, \$1335. Long wheelbase—5-pas. Touring Sedan, \$1250; Brougham, \$1295; 7-pas. Phaeton, \$1500; 7-pas. Sedan, \$1650. Prices f. o. b. Detroit, Factory. Choice of wide variety of colors. Two-way shock absorbers all around. Radiator shutters—Starter on dash—Electric gauge for fuel and oil—electrolock—tire lock—windshield cleaner—glare-proof rear-view mirror—stop light—disappearing rear window curtain, tire well on fender, extra rim, toggle windshield opener.

and

## BENEFIT BRIDGE IS BIG SUCCESS HERE

### FUNDS FOR BEAUTIFYING CITY PARK RAISED BY BUSINESS WOMEN HERE

A large group of people gathered at the Cameron Country Club Tuesday evening for the benefit game party given under the sponsorship of the Business and Professional Women's Club for the purpose of raising money to be used towards beautifying the City Park. Tables were arranged for bridge, 42, dominoes and checkers.

The club house was decorated in the B. and P. W. colors of green and gold through the courtesy of the Cameo Floral Shop.

In the bridge games Mr. Shipley of Waco was high for gentlemen and Mrs. W. L. Braun for ladies. Among those playing 42, Mrs. N. H. Butts was high and Mr. Tom Vaughn low. Prizes for ladies were potted calendars, gifts of the Cameron Florist Shop, and for gentlemen were boxes of cookies wrapped in green and gold colors.

Following the games guests were served chicken salad and hot tea. Late in the evening the tables were removed and dancing was enjoyed, music being furnished by a local orchestra, which also played earlier in the evening.

Miss Rose Rischar, chairman of the committee for the party, and her helpers wish to extend their thanks to their patrons who helped to make the benefit a success. Particularly do they thank the Cameron Furniture Company and Green Brothers for the free use of tables and chairs which they so generously furnished.

## Mrs. Conn Miller Is Injured In Wreck

Mrs. Conn Miller was severely injured in an auto collision at noon today at the street intersection near the Hayden Lawrence home. The car of Mrs. Miller and the car driven by Mrs. Fred Dierr collided.

Mrs. Miller has a severe scalp wound and cuts about the body and limbs. She was rushed to Cameron Hospital where she is reported resting well. Mrs. Dierr was not seriously injured. The car driven by Mrs. Miller was turned over pinning her underneath.

## BAPTIST W. M. S.

Members of the W. M. S. of the Baptist church met in circles Monday afternoon as follows.

Eunice Taylor Glass Circle met with Mrs. George A. Thomas with 10 members present. Mrs. F. J. Beckerman led the lesson. Lottie Moon circle met with Mrs. Harvey Dobbins. There were 6 members present and Mrs. John Denson was leader. Lillie Mae Hundley Circle met with Mrs. L. L. Blaylock with 9 members present and Mrs. W. H. Henley leading the lesson.

The ladies will meet in circles again next Monday. Eunice Taylor Glass will meet with Mrs. S. M. Burns, Sr., Lottie Moon with Mrs. Gus Evans, and Lillie Mae Hundley with Mrs. M. C. Sapp.

## JAMES M. LEWIS, AGED PIONEER BURIED TUESDAY

### NATIVE OF NORTH CAROLINA DIES HERE ON MONDAY JANUARY 13

James M. Lewis, 81, native of North Carolina and for many years a resident of Cameron died Monday morning January 13, 1930 at four o'clock following a long period of declining health.

Funeral services for the aged pioneer were held from the chapel of the Coleman-Eplen funeral home Tuesday afternoon January 14 at four o'clock with a number of friends in attendance. Rev. Joel B. Hardigree, pastor of the First Christian church conducted the services, detailing in a well spoken tribute the life and character of Mr. Lewis, who had spent many years in Cameron.

The body of the pioneer was buried in a casket of his own make. In his active years Mr. Lewis had been a cabinet maker and carpenter and in 1920 made the casket and had it stored in the coffin room of the Coleman-Eplen Company with the request that it be used in which to inter his body.

The body was buried in Oak Hill Cemetery with the following as pall bearers: J. Nabours, E. Eggert, J. H. Devaney, Judge Jeff T. Kemp, H. Walker and Penn Wolf.

Mr. Lewis is survived by one daughter, Mrs. Ed Slater of Bay City, and two sons, Steve and Harry Lewis, and one brother, Steve Lewis of Cameron.

Mr. Lewis had lived for many years in this community and his death has brought sorrow to the hearts of many who knew him. He was a pioneer in every sense of the word and never forgot the traditions of the early years of the country in which he lived and made a contribution to the civilization of the frontier country.

## GAUSE

Gause was visited by burglars last Thursday night. They broke into the blacksmith shop of F. M. Hauptfleisch and stole a number of tools. Both the rear and front doors of Dr. Dubose's place of business were opened and what few cents were in the cash register were taken. Both doors of S. R. Cochran's store were opened and the safe was blown to pieces, but it contained only books, so nothing was taken. At closing time H. M. Walker and J. W. Partridge discovered that their store had also been entered. Each coming at a different hour of the morning and on finding the doors open had supposed the other had opened up until the lock was found broken at closing time. Sheriff Blaylock was called out but no trace could be made toward the location and capture of the visitors.

If it takes winter rains and freezes to make a good crop I think we will have a harvest worth a Thanksgiving equal to ones celebrated by our Pilgrim forefathers. We have had hard rains, slow rains, freezes, snow, the largest remembered by a number of our old settlers, sleet, wind, warm sun shine and every kind of weather to be expected in Texas. Friday was cold, radiators froze and people hunted stoves. Saturday the ground was covered with ice and a number measured their length upon it, the older folk merely trying to walk and the younger while attempting to skate. Sunday and Monday are warmer but oh, the mud.

Mid-term examinations will begin this week. Some students will be exempt in certain subjects because of an A average. The seniors will not have to meet classes Wednesday. They have their examinations Tuesday, Thursday and Friday.

Mr. and Mrs. F. J. Cook, superintendent and primary teacher in the Gause school and children attended the funeral of a friend in Buckholts Thursday afternoon.

Rev. Kendall, pastor of the Baptist church, filled his regular appointments Sunday morning and evening although the weather was threatening services were well attended. A number were present for the Sunday school services at both churches. Thirty-four were present at the Methodist Sunday school which was considered a good number considering the weather.

Messrs. F. M. Hauptfleisch and J. F. Hickman attended the Missionary Institute held at Hearne last Wednesday. Several others intended to attend but were prevented by the weather.

Messrs. S. R., Dick and W. B. Cochran returned Friday after a trip to Cold Springs.

Miss Dixie Barnes and grandmo-

ther, Mrs. Faubian of San Marcos and garage. Phone 433. 35-tfc

were the week end guests of Mrs. Lizzie Tidwell and Mrs. Bobby Obbits. Miss Barnes returned to her studies at S. W. T. T. College while Mrs. Faubian will visit a few more days in Gause then spend a while in Rockdale before returning to San Marcos.

James Harwood, who is attending school in Rosebud, spent the week end with his mother, Mrs. Harwood.

Mrs. Ira Blackman returned to her home in Thrall Sunday after a several days visit with her mother, Mrs. D. D. Todd.

Mrs. James Harlan returned to her home in Houston Sunday after a visit with her mother, Mrs. Oala Gause.

Mr. and Mrs. Lamar Smith of Goose Creek spent the week end in Gause.

A gloom of sorrow spread over Mr. and Mrs. W. H. Spraggins and family Sunday when the news reached them that their only little grandson, son of Mr. and Mrs. Authur Spraggins of Missouri had been taken by death's cold wave.

The Seniors had a real treat Thursday. The 4-H Club girls, president Edith Cass, had prepared refreshments, hot chocolate and cake to serve to the State Inspector and trustees who were present Thursday. But for some reason the Inspector did not come so the refreshments were served to the Seniors and teachers.

## MISSIONARY SOCIETY

Members of the Methodist Missionary Society met at the church Monday afternoon for mission study. Mrs. W. O. Triggs gave an interesting summary of the book, 'The Roads to the City of God.'

All circles of the society will meet together at the church next Monday afternoon for a Voice program and will afterwards be organized for the new year.

## LADIES AID

Members of the Ladies Aid of the Christian church met at the home of Mrs. Ray Burke Monday afternoon for a business meeting. With Rev. J. Hardigree presiding, the following officers were elected for the ensuing year: Mrs. Raymond Beard, president; Mrs. W. M. Ryan, vice-president; Mrs. Ray Burke, secretary-treasurer; and Mrs. G. C. Walters, reporter.

### Sapp Motor Co.

Dodge and Plymouth Dealer  
Cameron, Texas

Miss Dorothy Denson is expected home this week end from Southwestern University to visit her parents, Dr. and Mrs. Tom Denson.

Mr. and Mrs. J. W. Kemp are spending this week in Taylor

The many friends in Cameron of Sam Cheeves, who is in Kerrville for his health will be pleased to note that he is improving in health and expects to return to Cameron within a short time. Mr. Cheeves has been in Kerrville for several weeks recuperating. Letters received by friends here from him disclose that he is rapidly regaining his health and will soon be back among his friends here. He is the son of Mr. and Mrs. S. W. Cheeves of Cameron and is active in the business of Cheeves Brothers here.

Now is a good time to plant trees. Write for catalogue, Ramsey's Austin Nursery, Austin, Texas. 36-12t

Grover C. Walters, manager of the Milam County Lumber Company here and who has been in the Cameron Hospital for several weeks from an attack of pneumonia, is rapidly recovering and will be back at his post of duty in the near future. His many friends here will be pleased to know that he is improving.

Agents Wanted—Ramsey's Austin Nursery, Austin, Texas. 36-12t

Arthur Smith of Lexington was in Cameron Tuesday having his eye treated by Dr. Taylor. He has made several trips to the doctor and the eye is improving and will be able to resume his work next week.

Mr. and Mrs. J. D. Basham spent Wednesday afternoon in Temple.

According to a news item in the daily papers, fire of undetermined origin completely destroyed the Shofner-Sterling Dry Goods and Grocery Store at Killean late Monday night. The loss was estimated at \$20,000, completely covered by insurance. This store is part of the estate left by the father of Shofner Sterling, formerly of Cameron. The elder Sterling died a few months ago.

Be sure to write for free catalogue of Ramsey's Austin Nursery, Austin, Texas. 36-12t

Joseph Newton, young son of Mr. and Mrs. Guy T. Newton is recuperating from a very serious attack of diphtheria.

Mr. and Mrs. Harley Sadler of Sweetwater visited friends in Cameron Wednesday. Mrs. Sadler, before her marriage was Miss Bill Massengale of Cameron.

We pay cash for our feed and we have to sell for cash.  
Weems Gin.

Miss Delphya Scott, who was painfully injured in a fall on the ice last week is reported much improved at the Bigbee House, where she is located for the present.

Mrs. Sam Mitchell, sister to C. W. Bradbury, who has been a patient at the Cameron Hospital for several weeks was removed this week to the Bradbury home.

Rev. and Mrs. J. P. Love were in Rockdale Tuesday evening for a business meeting of the Episcopal church of which Rev. Love is rector.

We pay cash for our feed and we have to sell for cash.  
Weems Gin.

Miss Eulene Slaughter, a student of Four C College at Waco, came home Wednesday afternoon to recuperate from a very severe attack of tonsillitis.

Mrs. Ulric Thornton and infant son Ulric, Jr., of Rockdale returned to their home this week after having been at Mrs. Thornton's mother, Mrs. H. A. Jackson.

Meal and Hulls are Cash,  
Weems Gin.

Mr. and Mrs. Paul Webb have moved from Cameron to Georgetown to be with their daughter, Miss Sue Griffin Webb, who is a student at Southwestern University.

Mrs. Ed Slater of Bay City was in Cameron this week having been called here by the death of her father, James H. Lewis.

Meal and Hulls are cash.  
Weems Gin.

At the regular meeting of the Auxiliary of the Episcopal church held on Monday afternoon, Miss Agnes Chambers was appointed as delegate from this church to the annual meeting to be held at Beaumont January 19 to 21. Rev. and Mrs. Love and Mrs.

Bessie Longmore of Rockdale will also attend sessions. Additional business attended to at the meeting Monday involved a discussion of the changes of the prayer book used in the Episcopal worship.

### JONES PRAIRIE

By MRS. R. K. FONTAINE

Miss Mary E. Jones, Ethel and Janie Mae Crook, Robert Glenn, Selma Jamison, Bailey Jones, Jess Black were entertained at the Julian Burnett home Wednesday night to a forty-two party. After many interesting games grape juice and cake were served to all.

Bailey Jones spent Wednesday night with Watts Weise.

Mr. and Mrs. Sam Harrell and family and Miss Mitchell spent Sunday at the Lester home.

The B. Y. P. U. went in a body to the John McLerran home Sunday afternoon and sang songs for the enjoyment of Mr. McLerran.

William Bailey and Bert Thrasher have returned from their business trip to Dallas.

Bailey Jones, Miss Selma Jamison and Watts Weise spent Sunday at the S. S. Hickman home.

Watts Weise and Barmore Jones made a business trip to Fort Worth this week.

Mrs. Spradley is ill with flu this week.

The Worthwhile Club met January 15 with six members present. Due to the absence of the Secretary the minutes were not read. Miss Bartholomew gave interesting discussion on the value of feed in the control of coccidiosis in chickens and proper housing. Next club meeting will be held January 28 at the teacherage.

Mr. and Mrs. C. C. Black and son spent Tuesday in Cameron. They hope to soon move into their new home there.

Mary E. Jones and Robert Glenn spent Saturday evening with Ollie Mae Smitherman.

Selma Jamison and Janie Mae Crook spent Wednesday night with Mrs. Julian Burnett.

Mr. and Mrs. R. K. Anderson visited in Calvert Sunday

Gracie Roden is ill this week.

The infant son of Mr. and Mrs. H. Black which was born Saturday, only lived a few hours and was buried at Little River Sunday.

Mr. and Mrs. Perry Tindall and family of Calvert spent Saturday and Sunday at the T. B. Stidham home.

Guy Harper of Dallas spent the week end in the community.

Mr. and Mrs. Lee Mirek and family who have been living in San Antonio since last summer have returned to their home here.

Ben Etidham is reported ill at this writing.

Miss Ethel Crook and Ruth Brand spent Saturday night at the Carlton Crook home.

Jim Lester of Louisiana spent the week end with his parents here.

### MAYSFIELD

The pastor met his appointment here at the Presbyterian church Sunday, but owing to the inclemency of the weather and muddy community roads the people were unable to attend and no services were held.

Mr. and Mrs. Jessie Wise of Ben Arnold spent Sunday with his parents Mr. and Mrs. Wise of Maysfield. While here they made a pleasant call at the manse.

Little Wayne, son of Mr. and Mrs. John Thweatt, has been on the sick list but is reported to be better.

Mr. and Mrs. Tom Thweatt entertained their son and family, Mr. and Mrs. John Thweatt, and daughter and family, Mr. and Mrs. Roy Newton and Miss Ada Lee Massengale, with a turkey dinner on Sunday, the fifth.

Mr. and Mrs. T. S. Woodruff and little daughter, Mary Lois, of Temple have been visiting her parents, Mr. and Mrs. W. M. Waits.

Mr. and Mrs. O. I. Brooks spent a few days with her parents, Mr. and Mrs. F. D. Hust of Rockdale, recently.

Miss Clara Lagrane of Hearne and

her friend, from Bryan, were visitors in the home of Misses Willie Belle and Myrtle Mae Holloway, recently.

Mrs. Othel Curry is visiting her parents, Mr. and Mrs. Ernest Kelso.

Mrs. Gum Ditto has been suffering with her back several days but is improving.

Some negroes traveling at the rate of forty miles an hour, barely escaped a serious accident Sunday afternoon by stopping here to put water in their car. When resuming the journey, be-

fore gaining full speed one of the rear wheels came off.

Miss Lucille Miller visited Miss Neva Phipps Sunday afternoon.

Miss Gladys Brady of McCamey is enjoying an extended visit in Maysfield with friends and relatives.

Messrs. Reese and Thomas Turner of Austin, spent the week end in Maysfield and Branchville.

## CHEVROLET COMPANY TO MEET BIG DEMAND

NEW CAR AND REDUCED PRICES  
TO CREATE BIG DEMAND  
FOR CHEVROLET

Detroit, Mich., Jan. 8.—Following the announcement seven days ago of the improved 1930 Chevrolet Six at greatly reduced prices, the Chevrolet Motor Company last week launched manufacturing and sales activities designed to meet the requirements of what promises to be another record year for the public acceptance of six cylinder automobiles.

Factory officials expressed themselves as highly gratified over the reception of the new Chevrolet Six at the New York National Automobile Show last week. Thousands of orders and hundreds of congratulatory letters from the nationwide Chevrolet dealer organization told something of the success with which the new product is meeting across the United States.

Meanwhile, so that the thousands of orders already on hand may be taken care of with a minimum of delay, the 16 giant Chevrolet plants are speeding toward capacity operation with all the haste consistent with Chevrolet's precision manufacturing methods. Employment at the Chevrolet factories is at the highest January level in the history of the Company with many of the plants maintaining two shifts.

At the same time the sales division under the direction of H. J. Klingler, vice-president and general sales manager, sounded the formal opening gun of the nationwide sales campaign, Wednesday, January 8, at a mammoth Chevrolet dealer meeting in New York City. Two thousand dealers from var-

ious parts of the Atlantic seaboard heard the Chevrolet sales chief outline the Company's plans for the year.

The New York meeting was the first of a series of 41 similar gatherings that will be held this winter from coast to coast in a comprehensive effort to appraise the Company's far flung dealer organization of the plans which Chevrolet has arranged for 1930. In the course of these meetings, which will continue until the third week in February, every Chevrolet dealer in the United States will have the opportunity of listening at first hand to the Chevrolet message for 1930 and talking with Central Office officials.

Gatherings in each city embrace a business show in the afternoon and a banquet in the evening. The afternoon business meeting is perhaps the most unique and comprehensive ever undertaken by a large industrial organization.

These business meetings feature a number of playlets graphically depicting the successful operation of a retail automobile business in its various phases. All parts are played by members of the Chevrolet organization.

To make this business show possible more than a carload of drops, curtains and stage fixtures are taken to each city. Perhaps \$50,000 worth of show equipment is required to stage the afternoon performance. A group of professional stage hands travel with the party and handle the work backstage.

In order to get the Chevrolet message over to the dealer organization in as short a space of time as possible, four groups of officials are conducting meetings simultaneously.

Heading the party that will conduct meetings in the southwest, California and the Pacific northwest will be D. E. Ralston, assistant general sales manager. The party making the

northeastern cities will be in charge of J. C. Chick, assistant general sales manager, while the meetings in the southwest will be conducted by M. D. Douglas, parts and service manager. R. K. White, advertising manager, will head the group handling meetings in the central section of the central section of the country.

### NOTICE OF PRIMARY ELECTION

I, S. M. Burns, by virtue of authority vested in me as Chairman of the Democratic Executive Committee of the City of Cameron, Texas, do hereby order a primary election to be held at the City Hall in the City of Cameron, Texas, on Tuesday, February 4th, 1930, for the purpose of nominating candidates of the Democratic party for the following offices of the city of Cameron, Texas, to-wit:

MAYOR  
ALDERMEN (Two for a term of two years.)  
CITY ATTORNEY  
ASSESSOR-COLLECTOR  
SECRETARY-TREASURER  
MARSHAL

In the election to be held on the first Tuesday in April A. D., 1930 and also to elect a chairman and four members of the Democratic Executive Committee of the City of Cameron, Texas, for the ensuing year, election shall be by a majority of the votes cast.

The test of the voter at said election shall be,

'I am a White Democrat and pledge myself to support the nominee of this primary.'

The election shall be governed by the general election laws governing elections in this state. The polls shall open at 8 o'clock a. m., and close at 7 o'clock p. m. Wm. Henderson is hereby appointed presiding judge of this election and is authorized to select such assistant judges and clerks as

the law allows to assist in said election.

Publication of this call for ten days as required by law shall serve as legal notice of said primary election.

Witness my hand this 6th day of January A. D., 1930.

S. M. BURNS,  
Chairman, Democratic Executive Committee of the City of Cameron, Texas. 39-2te

### CARD OF THANKS

We take this method of expressing to you our sincere thanks for your kindness to us during the illness and death of our mother. We thank those who gave flowers and all who in any way assisted us during the hours of our great bereavement. We shall hold in grateful remembrance always your kindness to us.

The children of Mrs.  
Lea Horstmann.

Children Cry for Fletcher's

# CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of *Chas. H. Fletcher* on the wrapper all these years just to protect the coming generations. Do not be deceived. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

Never attempt to relieve your baby with a remedy that you would use for yourself.

### What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

GENUINE CASTORIA ALWAYS

Bears the Signature of

*Chas. H. Fletcher*

In Use For Over 30 Years

The Kind You Have Always Bought

THE CENTAUR COMPANY, NEW YORK CITY.

## Texas and Texans

By WM. H. Mays

### Manufacturing Increases

More manufacturing enterprises were started in Texas in 1929 than in any previous year in the history of the State. The 1930 census will show that Texas has been making vast strides as a manufacturing State in the past ten years. Outside capital is seeking investments in Texas industries, and enough Texans were losers in the recent Wall Street panic to result in keeping more Texas money at home for investment. 1930 should be a great year for establishing Texas factories.

Every chamber of commerce in the State should resolve to secure at least one manufacturing industry for its town during the year and work toward that end until it is secured. Surely in every town some manufacturing plant could be made to succeed. Buda, a mere village near the line of Hays and Travis county, set a fine example awhile back in building a cheese factory.

### Increasing Capital

When the Borden company decided to invest \$200,000 in a milk products plant at Waco about a year ago, many wisecracks shook their heads and predicted failure. The only failure the company made was in not building a plant big enough. The investment will be increased to \$500,000 and the plant enlarged.

The Armour corporation, noted the world over as meat packers, are buying up milk products plants in Texas where they can be bought and are ready to establish others where needed. The dairy industry in Texas is just starting.

### Worthy Man Promoted

Texans who know him and there are thousands who know him to love him, are delighted that General John A. Hulen has been made vice-president of the Fort Worth and Denver and the Wichita Valley Railroad Companies. His splendid administration of the receivership of the Trinity and Brazos Valley road marks him as a man of extraordinary business acumen and has added to his lustre as a soldier and statesman. No man stands higher in the esteem of the people of the State.

### Texas For Texans

Perhaps District Attorney Valls muddled up things a bit down at Laredo and his indiscretion may have caused Laredo some temporary business loss, but to demand his resignation in order to hold the favor of Mexican officials is to place business above patriotism and to allow the Mexican government to dictate who shall and shall not hold office in Texas, something that is simply unthinkable to most Texas citizens. Texas will continue to be governed by Texans and not by Mexico, and the cutting off of a little Mexican trade will not change conditions.

### Fannin County Courthouse

It is unfortunate that some valuable records were lost when the Fannin County courthouse burned, but they should not have been kept so long in an old firetrap. Such records should have been in a building as nearly fire proof as a building can be built. While the new courthouses all over Texas are architecturally beautiful, they are

## DROVE POISON OUT

Constipation Troubled Alabama Lady Until She Had Taken Black-Draught, Then Felt Fine.

Florence, Ala.—"For two years, I suffered with pains in my back and head," writes Mrs. J. E. Sloan, 810 Park Street, this city.

"I felt dull all the time, and was not able to do anything.

"I was constipated most of the time. My complexion was bad and I had no appetite.

"An old lady advised my father to give me Black-Draught. As quick as she told him, he got it for me. I took Black-Draught three times a day for three weeks, and I began to feel like a different person. I developed a good appetite; the poison left my system, and I felt fine.

"I thought my trouble came from constipation, and as soon as the cause was removed, I got all right.

"Since that time, I have tried to keep a box of Black-Draught in the house, as I find it corrects biliousness and relieves sick headache. It is our family medicine."

Constipation dams up poisons in the bowels, causing their bad effects to be felt in other parts of the body.

At the first sign of constipation, take Theodor's Black-Draught.

Costs only 1 cent a dose. NC-215

Theodor's  
**BLACK-DRAUGHT**  
for Constipation  
Indigestion Biliousness

not erected merely as something to be proud of, but for the safekeeping of public and private documents of value. If the records could only be saved it would be a good thing, if every ancient courthouse in Texas were destroyed and replaced by modern structures.

### Barney Youngblood, Texan

Dr. B. Youngblood, formerly director of the agricultural experiment extension work at the Texas A. & M. College, has been nominated by Congressman Marvin Jones of Texas for the \$5000 annual Capper award for distinguished service to American agriculture. Youngblood did a great work for Texas agriculture and was untiring in his efforts to advance agricultural interests, but his greatest work has been his scientific study of problems affecting the cotton industry especially in discovering new uses for cotton. Every Texas farmer will second his nomination eagerly.

### Stays On the Job

There is a reason why Editor-Publisher Alford of the Granger News gets out one of the best-edited, best-printed weekly newspapers in Texas. He doesn't turn in his copy hurriedly to go fishing, leaving the printers to fill up and get out the paper as best they can, but watches the forms until the last paper is off the press. Therefore, he has started off the New Year with his paper as full of advertising as though this were the fall business rush season.

### 'Strutting Its Stuff'

When a town ships a million pounds—48 solid cars—of any single commodity in two months it has a right to be proud, but when that commodity is turkeys that town has a right to strut. This is what Brady did in November and December, and dealers are expecting to send out 10 more cars in January. The average price has been 20 cents a pound.

### Diversification Makes Prosperity

The Lampasas Record tells why Lampasas county is prosperous. It is because the farmers diversify and ship out more produce than they ship in. During 1929, 827 solid carloads of farm products were shipped from Lampasas, diversified as follows: 195 cars of oats, 22 of wheat, 39 of corn, 19 of pecans, 92 of wool and mohair, 124 of sheep and goats, 113 of cattle, 12 of hogs, 53 of dressed poultry, 67 of eggs, 19 of cotton seed, and 71 of other commodities besides 3855 bales of cotton. This does not include freight and large shipments of poultry and other produce by truck. Lometa is another Lampasas county town that prides itself in rivaling

Lampasas as a shipping point.

### Merging The Papers

Many weekly newspapers are following the example of other business and forming mergers. The latest to merge are the Hallettsville New Era and the Herald, which will hereafter be the New Era-Herald with Leo Strauss and Richard W. Metisen owners. This is the first time in 41 years that Hallettsville has had only one English paper, and both the papers and he town should profit by the consolidation.

### Round Rock Needs It

Editor Kavanaugh of the Round Rock Leader says that his leading ambition for 1930 is to be able to buy a type-setting machine and give Round Rock an eight page paper instead of the four page paper he now gets out. If Round Rock merchants would only double their advertising he could easily double the size of his paper. They should by all means do this. Round Rock is a good little city in the center of a fine farming country, and with the aid of his family of writers and printers Kavanaugh is prepared to issue as good a paper as the patronage will justify.

## Examinations For Teachers Certificates

Certificates of the second class may be obtained by examinations only. Applicants who desire to take examinations for certificates in any county must register with the county superintendent not later than the twentieth day of the month preceding the examination which he desires to take. Registration may be made by letter or by person. The examination fee of \$4.00 is not paid until the applicant enters the examinations. No cer-

tificate will be issued to an alien. Affidavit of citizenship must be furnished.

An elementary certificate of the second class entitles the holder to teach only in the elementary grades; namely, grades one to seven, inclusive.

A high school certificate of the second class will be valid in elementary schools, grades one to seven, inclusive, and in third class high schools, and unclassified high schools, but not in first and second class accredited high schools.

Dates for 1930 Examinations  
April 4th and 5th.  
June 6th and 7th.  
July 4th and 5th.  
August 1st and 2nd.  
September 5th and 6th.  
December 5th and 6th.

## CLARKSON

Homer McElwrath and family of Ben Arnold were Sunday dinner guest in the H. Clifton home.

Howard Schwarting, R. W. Edward, Howard Douglas and John Bell enjoyed forty-two and dominoes games all night Saturday night at the John Bell home.

Howard Schwarting and wife were guests in the John Bell home Saturday and Sunday.

Perry Strickler was a business visitor in Cameron Monday.

N. C. Canady and family were the guests in the John Bell home Wednesday and Thursday.

Ganell and Clifton Cox enjoyed a horse back ride Sunday afternoon.

Miss Brown, the J. H. Starnes fam-

ily and Howard Schwarting have been ill with the flu the past week.

Hubert Bell of Burlington was the guest in the John Bell home Friday night.

The barn of J. H. Starnes burned Sunday night. The loss was very heavy, losing most of his feed. We wish to express our sympathy for Mr. Starnes and family.

## GLENN FLINN GETS PLACE WITH TEXAS POWER AND LIGHT COMPANY

Glenn Flinn, who has been advertising manager for the Cameron Herald for the past year, has accepted a position with the Texas Power and Light Company of Cameron in the merchandising department.

Mr. Flinn was a valued member of The Herald staff and the manage-

ment regrets to lose his services and congratulates the Texas Power and Light Company on securing the services of Mr. Flinn.

Mr. Flinn will have charge of the merchandising department of the Texas Power and Light Company and will direct sales in the city of Cameron.

## NEWS OF SEVENTH GRADE

This week the '67 Go-Getters' are learning how to write scenarios. The following two are examples of our work.

### The Necklace

Scene 1. In the home of Matilda Louise.

Matilda, pretty and charming, seated in her room. Enter—Pierre, her husband. He hands his wife a large envelope. Matilda very angrily angrily throws the envelope aside and begins to weep. Pierre—very sad. Exit—Pierre.

Scene 2. In the home of Matilda Louise the day before the ball.

Enter Pierre—Matilda seated in chair looking very sad, says she has no jewels to wear to ball. Pierre very sad. Exit, Matilda.

Scene 3. In the home of Madame Forrester.

Matilda enters room. Madame Forrester converses with Matilda. Matilda returns home with jewels.

Scene 4. At the ball.

Madame Loisel a success. Beautiful smiling, gracious and intoxicated with joy of success. Exit, Loisel and Pierre.

Scene 5. In the home of Matilda Louise.

Matilda removes wrap, looks in glass, utters a cry. The necklace is gone, turns to Pierre and talks. Exit Pierre.

Scene 6. Pierre on the road searching for necklace.

Pierre searches for necklace—tired worn and hollow-eyed. He does not find article. Goes to jeweler and bargains with one for a similar necklace. Pierre borrows money.

Scene 7. Matilda's home.

Matilda very brave, does work with heroism, dismisses cook, washes dishes scrubs floors. Enter Pierre, tired after his work. After work Matilda sits by window and dreams. She sees a lady on the street.

Scene 8. On the street.

Matilda walks down street, meets Madame Forrester, still young. They speak, Madame Forrester does not recognize her at first. They talk of old days. Tells her of the necklace that she lost. Madame Forrester takes Louise's hand and consoles her. Wilson Mode.

### The Pied Piper of Hamelin

Scene 1. Judges court room.

Judge seated near fire, looking weary. Enter, Pied Piper. Judge agrees to pay Piper sum of money to rid the town of rats. Exit, Piper. Judge hears pretty music, leaps from his chair, looks out of window, sees rats of all description following Pied Piper. Piper leads rats into water.

Scene 2. Court room.

Enter—Pied Piper, shakes hands with judge. A disagreeable conversation is carried on. They do not pay the Piper. Exit—Piper, plays flute. Children follow. One cripple boy left.

Scene 3. Homes of the people.

People seated around fires very sad grieving over children.

Vernon Mayfield.

Tom Osborne is back in school now. He has been missed by teachers and pupils.

Howard Terry has been ill, but we are glad that he is back in school this week.

Ralph Kaepf has a black eye. Ask him how he got it.

Nellie Mae Baskin has been absent

## CLAMMY HANDS

**Kentucky Lady Was Weak And Felt Miserable. Dizzy Spells Quit After She Took Cardui.**

Danville, Ky.—"For a long time, I suffered with severe headaches and pains in my sides and back," says Mrs. Lottie Smallwood, residing at 116 Fourth Street, this city.

"I was very weak, and just not able to go about or do my work. I just felt miserable.

"I was all out of heart. I would have spells when my head would hum, and my feet and hands were clammy and cold.

"I would be so dizzy, I would fall. I had read of Cardui and what it had done for others, and so I, too, began taking it. I had been aching and hurting awfully.

"After I took Cardui, I quit having the dizzy spells. I kept on taking Cardui, and saw then that I was being helped. I was not nearly so weak, and from that time I have felt better. I took six bottles in all."

Cardui is a purely vegetable remedy and contains nothing harmful or injurious. It may be safely taken by a delicate young girl as well as by a feeble old lady.

Cardui has been in use by women for over 50 years, and great numbers of women have reported that it helped them back to health.

Get a bottle today.

NC-214

**CARDUI**  
50 YEARS  
OF USE BY WOMEN

for several weeks.

Marie Brod, Gertrude Holder, Ladis Hrozek and Addie Mae Lunsford were absent last week.

Wilder Graham is tardy every morning.

Joseph Miller has a black eye.

Ask Clyde, Eldridge, Joseph, John George and Dick what happened to them last week.

The boys are playing marbles again. Many games are played each day.

Charlie Smith was absent Friday afternoon. Was he ill?

Hazel Owen was absent Monday.

We have two new classmates, Mildred Copus and Dallas Criswell.

Maidelle Smith has a new pair of boots.

Short descriptive paragraphs showing the use of adjectives. Last week we studied the part of speech 'adjective' and this week we are showing the use of adjectives.

It was a jolly time to camp out on the mountains where the streams of sparkling water could be seen in the distance. There were many humorous boys in this camp; they were handsome too. Sometimes they were impatient about what they were to do next. One night while they were sleeping four cats came howling around camp. With a warlike whoop they frightened the cats away.

Joe Dusek.

Flowing from the mountain side was a jolly, sparkling stream. This

stream was caused by the warm sun melting the heavy winter snows. Away the merry stream flows down into the valley where it becomes gentle and warm. The merry sun gleaming down upon it makes a lovely sight. From the many small villages the happy children watch the sparkling stream. The beautiful, stately trees grow over it and watch with longing eyes the happy stream as it makes its way to the large ocean.

C. W. Gjedde.

There was a knight who was very jolly; he was handsome too. He always wore a gem that was gleaming and sparkling. His favorite pastime was to eat brittle candy and tell humorous stories. A very warm, gentle heart had this knight.

Carroll Green.

It was an exquisite poem, jolly, and sparkling with humorous lines. The jovial landlord and the handsome hero take the main part, but the loveable and bewitching heroine is not far behind. When the frightful, warlike, soldiers come after the impatient landlord, the gentle heroine begs them not to use that gleaming sword on him. They consent and drive off in the heavy coach. The cross captain makes the otherwise warm and happy day very unpleasant.

Roy Baskin Jr.

Have you read that humorous poem, 'The One Horse Shay,' written by Holmes? I can almost see his happy, sparkling eyes as he read it aloud to some crowd. Holmes was such a jolly, loveable fellow that everyone knew. He was not a handsome man but that does not harm his exquisite character. He was never impatient nor cross with children and often told them humorous poems.

Ernest Sharpe.

The warlike knight came on his

handsome, heavy war-horse through the four gates of the castle. It was a warm day and all the inhabitants of the castle were impatient for his return. When he came into the castle everybody was happy and jovial. He had come from a frightful war and his jolly father and loveable mother wanted to come home to a banquet and tell of his adventures. The dinner was a happy one; many were the humorous jests that crossed sparkling wine and gleaming venison.

Giles Avriett.

### BAPTIST WOMEN WILL MEET HERE JANUARY 21

A joint institute of Baptist women from Milam and Robertson County will be held at the First Baptist church, Cameron, on Tuesday, January 21, beginning at ten o'clock in the morning. Mrs. T. C. Jester of Houston, state young people's leader, and wife of the pastor of Baptist Temple in Houston has been secured to teach the book, 'Things We Should Know.' All the women of the counties who are members of the W. M. U., and particularly the officers of the local and of the county organizations are urged to take the course.

Everyone attending will be expected to bring a light lunch of sandwiches.

### COUNTY PARENT-TEACHERS TO MEET IN HOYTE

The Milam County Council of Parent-Teacher Associations will have an all day meeting at the school house at Hoyte on Saturday, January 18. The program will begin at 10:30 in the morning, lunch will be served at noon by the Hoyte Parent-Teacher Association, and the business session will be held in the afternoon, beginning at two o'clock. It is hoped that each Parent-Teacher organization in the county will be well represented at the meeting.

# To The People of Cameron:

In asking for re-election to the office of City Marshal I feel it my duty to inform the people of some of the things I have done as an officer, otherwise I would not mention them.

First, I have helped as best I could and co-operated with every thing or organization in the city for the betterment and uplift of the community, including City Council, United Charities, Boy Scouts, Health and Sanitary Officers, Schools, Local Lodges, Sheriff's Department, Etc. I have lent a hand to every worthy cause that has come my way. I have also in many cases helped people that have come to me with their personal problems that might have ended in the courts.

I have felt it my duty to help keep the laws as well as enforce them, and when performing the duties of an officer, I have met the people as a friend and not an enemy of revenge, with fairness to all.

As to cases I have filed, there have been about six hundred, besides those I filed with the Sheriff's Department, which was out of the City Jurisdiction. All but two of these cases plead guilty; those two fought their cases but failed to produce evidence to clear them of the charge and were fined.

We could have had between two and three thousand cases if I had pushed the small offences mostly minor traffic violations, such as lights and horns of various kinds. And you, and you, and you would have had to pay, but instead of fineing I have tried to correct these things by calling your attention to them. The people have been very nice to help me in this way.

I have also worked to keep the town free of suspicious characters that could not explain their presence here. During the past few weeks we have sent between forty and fifty such people on their way, while on the other hand I have made an effort to welcome and accommodate worthy strangers that come to our city, and other things too numerous to mention but I want to say this:

My interest is in the boys and girls of our town.

In 1925, while I was bookkeeper and office deputy for Mr. Blaylock (the Sheriff), there was a set of boys that kept that department busy (and since there have been several sets.) They were doing every kind of mischief conceivable and some were at times put in jail. Now, I don't believe in jails for boys, so after I went into the office of City Marshal, I began to work with these boys. I had an agreement with Mr. Blaylock not to lock them up unless it was absolutely necessary, so at their first offense (a burglary) I gathered those boys into my office. No, I did not put them in jail, but I talked to them and tried to make friends with them, which I did, for such

boys consider an officer their bitterest enemy. I told these boys I was there to help them and that I would help them to get anything within reason if they would only come to me instead of stealing it. They did and I have helped them with the assistance of some of our prominent business men to whom I'm very thankful.

I got each of these men to act as a guardian for one boy and to cultivate the boy's acquaintance and friendship, and to give the boys little jobs so they might make money to buy clothes, hamburgers, sweets, picture show money and other things that boys want and must have a certain amount of.

Then I had these boys to report at my office (in some cases) three times a week and we'd have a heart to heart talk. Today these boys are my friends and you don't hear much out of them. I have also had a few girls, mostly runaways and in most cases with boys and girls I have taken care of them while here and persuaded them to return to their homes and have helped them to get back.

I am not saying I reformed them all, but I have helped to a considerable degree. We still have things to come up and always will, but I am for the boys and girls always. I think Cameron's young people are far above the average in conduct and character; they have shown me all the consideration and respect any one could ask for, and I heartily thank them.

I also think Cameron is as clean and free of crime as any other town. From the news papers you get an idea. There are still a few criminals loose and no officer or set of officers can prevent crime.

We have as you all know outgrown the horse and buggy and a one town officer stage, with thousands of people and cars passing through our town daily it is impossible for one man to attend to the traffic, night watchman, and the duties of the office. I want to say the men assisting me are gentlemen and perform their duties with courtesy to all. They have my instruction, at all times, to treat people as they would like to be treated.

In conclusion I want to thank the people who have so kindly helped me in my work and especially Mr. Fisher, Superintendent of the Schools, for his co-operation in things that have come up in the schools. I also want to thank you for your votes in the past and coming election.

## PROBATE COURT

John Green, colored, by a verdict of the jury was adjudged a lunatic on January 4.

O. A. Boecker appointed guardian of the estate of Nettie Lovenia Hearne, a minor. W. O. Newton, Raymond Beard and Philip Reid appointed appraisers.

Joseph Klement appointed administrator of the estate of Adolph F. Klement, deceased. Bond fixed at \$10,800.00. W. O. Newton, Lester Williams and Raymond Beard appointed appraisers.

Will of B. W. Robison admitted to probate. Ann Robison appointed independent executrix without bond.

Misses Annie Stallworth, Theresa Jensen and D. B. Worchester appointed appraisers.

## DISTRICT COURT

Monday morning in District Court Will Martin pleaded guilty to unlawful possession of intoxicating liquor for the purpose of sale and the jury assessed his punishment at one year in the penitentiary. The offense was alleged to have been committed in September 1928 but no arrest was made on account of absence of defendant, until recently.

Judge Watson will leave Monday for San Marcos where he will hold special term of court three weeks in the 22nd district for Judge M. C. Jeffrey.

There will be no trials here during that time. The docket here is in such

condition that a short absence of the trial judge will not seriously interfere with the disposition of the cases.

## Exposed Metal On New Ford Cars Is Rustless Steel

'Rustless steel, a material familiar to the housewife in cutlery, has been brought to a high state of perfection to increase the beauty of new bodies for Model A Fords, shown here,' said Mr. York, local Ford manager today. 'The improved metal will supplant the use of nickel or chromium plating on these automobiles.'

'The new Ford bodies, painted in new and attractive colors, are now on display,' said Mr. York, who emphasized the fact that no change in price will be made.

### Use Rustless Steel

A distinctive feature will be glistening head-lamps, radiator shell and hub caps of the new material, which has a polish fully as high as that of nickel plate. Nor will this polish tarnish.

No matter whether brought into contact with water, ice, snow or steam the specially treated metal does not rust. And its silver gleam is not plate. It exists all the way through.

Rustless steel, however, is only one interesting feature of many which make the Model A more desirable than ever. The complete ensemble has added beauty, combined with greater dignity—a more substantial look. It is fresh and new without being tricky. No attempt has been made to do anything sensational just as a passing whim.

### Tudor Sedan Roomier

The most notable changes in body types have been made in the Tudor Sedan. The Coupes and the open cars.

The Tudor Sedan, most popular of the five passenger closed cars, is longer. There is more room for occupants of the rear compartment. Access is easier around the folding seats. In exterior appearance the car is much improved. It still retains the crown roof effect with rounded corners on the rear quarter, the beauty of which is accentuated by a new body belt and moulding.

### GAUSE 4-H CLUB

Our club met Wednesday morning, January 8th. We had a nice meeting although we would have enjoyed it more if Miss Bartholomew could have been with us. We had a good attendance which every member answered roll call of what they had done since the last meeting.

A new secretary and reporter were elected for the coming year being Lois Roper for secretary and Ruby Luce for reporter.

The club decided to give the state

inspectors and other visitors, also our teachers, a lunch at Mrs. Keys residence on Thursday, January 9th.

The club also decided to bring to next meeting money or chickens to buy a stove and other things which we need in our club work. We were then adjourned.

Reporter.

## NEW OAKLAND-PONTIAC PRICES ANNOUNCED

**Amethysts and Opals****Used as Road Material**

A street almost literally paved with amethysts has been reported to the Berlin geographical society by Prof. Otto Quelle of Bonn university, says an Associated Press dispatch from Berlin.

He found it in Brazil, in the province of Bahia, where he visited German gem cutters and polishers' colonies that have mined and handled 2,000 hundredweight of amethyst.

Whole streets, he said, are paved with the waste material, that gives them a lovely violet sheen. Doctor Quelle said he knows of a place in Siberia where opals are so plentiful that the coarse grades are used as road building material.

The Deutsche Allgemeine Zeitung reports roads at Bernstein, in the Austrian Engenland, graveled with waste from the semi-precious serpentine stone.

In the same country, near Rejnitz are roads of a beautiful green shade said to be free from dust. They are surfaced with waste from asbestic stone.

**Vegetables Offered to****Gods of Ancient Times**

Turnips, beets and radishes were a respected trio of ancient Greece, all three having been acceptable offerings at the temple of Apollo in Delphi. Their respective rank may be judged from the custom of dedicating turnips in dishes of lead, beets in silver and radishes in beaten gold.

Though radishes are thought to have come originally from China, their cultivation is of great antiquity in Europe. In earliest times they were generally boiled, but later Roman physicians recommended that they be eaten raw, with salt, before breakfast. A shrub made from them was used to cure whooping cough and malades of the chest.

Turnips, too, were thought good for hoarseness and coughs, and also effective as a poultice for the feet. No important were turnips to the poor in the Middle ages that they appeared on armorial bearings to denote a person of good disposition who relieved the destitute.

**Tracing Popular Idioms**

Professor Smith in his "Words and Idioms" gives many expressions coming from the chase, and from hounds and horses in particular. A few of the canine idioms, he points out, come from dog fighting.

From his list we pick the following: "To dog the footsteps of," which points to the faithfulness of the friend of man; "Not to have a dog's chance," meaning having no chance at all; "To have a bone to pick with"; "To teach old dogs new tricks"; "A bone of contention"; "To bristle up"; "To go off with one's tail between one's legs"; "Top dog"; "Under dog"; "His bark is worse than his bite," and "A hang-dog look."

The commonest phrase of all is "dog-gone," especially as used as an expletive with "it" following.

**Governor Obeyed Orders**

A governor, the talking motion pictures reveal, was giving a memorial address in the South, before a large crowd which applauded his utterances, but those who saw the pictures found humor in the scene which his gathering probably missed.

The microphone, being on the stage, gives the theatergoer some of the conversation which is missed by the most earnest listener in the crowd which stood in front of the platform.

The governor was closing his address and as he sat down he put his hat on, but, as the applause began, a woman standing beside him, probably his wife, spoke up quickly, "Take your hat off."

And the governor did.—Springfield Union.

**Got the Knees Mixed**

Johnny was complaining of a badly bruised knee. It had always paid him well when he took his hurts to mother because she soothed his feelings with a 5-cent piece.

On this occasion Johnny needed 5 cents for a top. He remembered that he had a small bruise on his knee and if he could only make mother believe that it pained him, all would be well.

Mother listened to Johnny's tale of how he had fallen on his knee and bruised it. She asked to see the knee and Johnny sensed victory. He hurriedly pulled his stocking down, but alas and alack! It was the wrong stocking!—Philadelphia Public Ledger.

**Good Customer**

"I've forgotten what the other thing was I came for," said the small girl in the grocer's shop.

The grocer tried to be helpful.

"Was it cheese, bacon, butter, margarine, lard, tea, coffee, cocoa, sugar, jam, marmalade, biscuits, bottled fruit, chutney, piccalilli, bloater paste, potted meat, baking powder, soap, soda, spice, rice, tapioca, semolina, macaroni, currants, raisins—"

"I remember now. It was can you tell me the right time, please?"

**Don't Be a Quitter**

Quitting is one of the worst traits of the human race. And one of the most common, too. One little setback and we throw up our hands in disgust. The fellow who wins is the one who can take a reverse and come back smiling.—Grit.

**FROM THE FILES OF THE CAMERON HERALD**

Attorneys W. K. Clement and J. W. Garner of Rockdale have been doing legal business in Cameron this week.

T. F. Hardy, president of the State Bank of Cameron spent Tuesday night in Waco, the guest of Mr. and Mrs. J. W. Bassett.

\*Mrs. J. M. Ralston is visiting in Houston.

Dr. Sapp came in from New Orleans Wednesday.

**Mrs. A. N. Green Is Hostess To Friends Wednesday Afternoon**

If it had not been for the cozy warmth of the rooms, members of the As You Like It Club would have imagined themselves at the top, or at the bottom of the world Wednesday afternoon, when they were guests of Mrs. A. N. Green.

The living room and the music room of the home had been transformed into perfect snow scenes, with even the ceilings draped with snowflakes of cotton hung on white thread. There were four snow men, one near the piano, which itself was covered with sparkling snow, another in the living room, and the other two in the dining room. A miniature snow house rested on the library table, and tiny snow-covered fir trees were noted everywhere. A most realistic touch was added by a pet kitten 'Snowball,' as round and as white as the name implies, which played about the rooms.

Tables, the legs of which were wrapped in white, and which were covered with white cloths, had been placed for games of 42. Pencils were wrapped in white ribbon, and tallies were handpainted snow scenes, the work of the talented hostess. High and low awards, which fell to Mrs. A. C. Strickland and Mrs. E. A. Flinn, respectively, were hand-painted pictures, also done by Mrs. Green.

Following the games, the guests were served pressed chicken sandwiches, cake and pineapple snow. Trays utilized for the service were centered with hand-crocheted white baskets filled with popcorn 'snowballs' and resting on mounds of imaginary snow. These went as table favors to Mesdames Tom Denson, J. C. Martin, Jewel Barmore and R. H. McIntosh. Plate favors were tiny fir trees which were stuck in the salad.

Mrs. Green was assisted by her daughter, Mrs. John Pierce of Corsicana, Mrs. C. N. Green and Mrs. Leiland Green.

**HISTORY CLUB PROGRAM IS INTERESTING EVENT OF WEEK**

Mrs. J. P. Love was leader for the afternoon and Mrs. Tom Denson was her assistant at the regular meeting of the History Club held Tuesday afternoon with Mrs. J. C. Martin as hostess. Mrs. Denson gave an interesting discussion concerning the manufacture and use of glass, and Mrs. Love based her discussion on a statement by Robert Quillen that the development of the compassionate side of human nature is evidence of an advancing civilization. To support this fact Mrs. Love culled bits from magazines and papers and from radio talks and passed them on to the club members.

During the business session preceding the program Mrs. Paul Webb's resignation as a member of the club was accepted, and Miss Kathryn Flinn's resignation as treasurer. This office will be filled with an appointment by the president.

The hostess served a salad course and hot tea to those present, which included two visitors, Mrs. R. H. McIntosh and Mrs. Wm. Cobb.

**CHRISTIAN CHURCH**

Sunday school at 9:45 a. m. Morning hour of worship at 11 a. m., sermon 'The Seen and Unseen.' Evening hour of worship, 7:15 p. m., sermon 'The New Birth.'

Prayer meeting Wednesday, January 22, at 7:15 p. m.

'Life's greatest achievement—what is it? Those who attend the Christian church at the morning hour of worship last Sunday heard Rev. Hardigree deliver a wonderful message on that subject. He explained that wisdom, wealth, health, love, etc., are the means by which we may attain happiness, but real happiness is obtained by obedience. We obey our parents, not because we fear or dread them, but because we love and respect them. The same situation exists between God and us. We obey Him be-

cause we love Him, we respect Him and have a high consideration for Him. Solomon's father amassed great wealth but Solomon, himself, considered it vanity and asked for wisdom. Happiness is not judged by expression, but by poise in relation to God and man, and we are happy if we love and obey Him. Happiness, therefore, is life's greatest achievement.

**CARD OF THANKS**

We wish to thank our friends and relatives for their assistance to us during the illness and death of our dear beloved husband and father. We wish to thank every family for the flowers brought to us in our hours of bereavement when our dear one passed away.

Mrs. Will Hurry,  
daughters and sons,  
Flossie Hurry  
Willie Hurry  
Gladys Hurry  
Mary Hurry  
Elmo Hurry  
Bennie Lee Hurry.

**METHODIST CHURCH**

We extend a most cordial invitation to the public to attend the services at the Methodist church next Sunday. At the 11 o'clock service the subject of the sermon will be 'The Acid Test in a Christian's Life,' and at the 7:15 p. m. service 'The Healing of Naaman and its Meaning to Us.' Good music, morning and evening. We had a number of strangers at the services last Sunday; let them come again as well as any others who have no church home. Every Methodist is expected, of course. Test our welcome.

**MISS DULCIE McCALL IS HOSTESS TO BRIDGE CLUB**

Decks of cards served as game awards, when Miss Dulcie McCall entertained members of the Monday Night Bridge Club at her home this week. These were won by Mrs. Penn Wolfe, who was high for club members, Mrs. Dero Jenkins of Rockdale, high for guests and Mrs. Earl Burke, low.

At the conclusion of the games the hostess offered her guests a salad course and hot tea. Players other than club members were Mrs. Dero Jenkins of Rockdale, Mrs. Hilton Culpepper, Miss Dillie Young and Miss Bess DuBois.

**BOOK A MONTH FOR SENIOR METHODIST LEAGUE**

The Senior League High of the Methodist church held a Council meeting Monday evening at the home of Mrs. Raymond Sharpe. Mrs. Henry Dryer is president of the group. It was decided for the League to follow the plan of reading a book a month, and

they will begin with a mission book. The course of study outlined for such a plan includes fiction, biography, history, and books on religion.

Candy and fruit were enjoyed by those present at the close of the business meeting.

**Why Be Unhappy?**

**WHY NOT BE SUCCESSFUL IN YOUR UNDERTAKINGS? BE ADVISED**

This great purpose and method is a guide to help you to get more out of life.

I give truthful and reliable advice in all affairs of life such as love, marriage, divorces and all personal business affairs.

It makes no difference what it may be. My aim in life is to assist humanity.

Giving special private readings this month at a very low fee.

**One of the Strongest Forces In the World**

One of the strongest forces in the world is human desire. It is the force that inspires most human action. Create a desire in a man for a certain career and he will bend every effort to attain it. Create desire in a man to possess a home or any material object and he will use all his resource to achieve that end.

Create in man a desire for a certain kind of tooth brush and he will pass up all others for this particular brush.

Desire is created by advertising—judicious, well written advertising, and if the advertising is backed by good merchandise and modern merchandising methods it will sell the goods. Advertising has not created the law of human action. It merely takes advantages of laws of human reaction and conduct that have always been in existence.
